Geisinger IRB Membership

The Geisinger IRB membership roster is maintained, on file, and in compliance with 21 CFR 56, 45 CFR 46, and 45 CFR 46.160-164. The membership roster is registered with OHRP and can be provided to regulatory authorities as required. Geisinger IRB follows written policies and procedures for operation, maintains detailed documentation for review of research and excludes IRB members with a conflict of interest from participation in review and approval of research related to the conflict.

FWA and IRB registration information can also be found at https://ohrp.cit.nih.gov/search/

Accreditation

Geisinger's Human Research Protection Program obtained accreditation through Association for the Accreditation of Human Research Protection Programs (AAHRPP) on March 21, 2016 and reaccredited on March 18, 2019.
