

*Helping make miracles happen
every day in your area*

Children's Miracle Network at Geisinger has raised more than \$35 million for state-of-the-art pediatric equipment, educational programs and specialized services since its 1984 inception.

These funds have allowed Janet Weis Children's Hospital to provide quality care to the children of northeastern Pennsylvania and helped bring that care to a number of communities throughout the region — including Monroe County.

- Children's Miracle Network at Geisinger has funded necessary items such as tympanic thermometers, testing instruments and scales for pediatric services at Geisinger Medical Groups in Mount Pocono and Mountainhome. The offices also received "comfort" items such as play islands for waiting rooms.
- Geisinger's Pocono Pediatric Specialty Services office located in East Stroudsburg offers appointments with a number of Janet Weis Children's Hospital specialists, including cardiologists, endocrinologists, oncologists, gastroenterologists, neurologists, pulmonologists and more.
