

# The Geisinger/NCCCP Nurse Navigator Program

Guiding patients every  
step of the way

NCI COMMUNITY  
CANCER CENTERS  
PROGRAM

## You're not alone

This may be a difficult time for you and your family. You may have questions and concerns about your health and you may require help getting the care you need.

The Geisinger/NCCCP nurse navigation program offers a nurse navigator to help you through this time. This person will try to make sure you get the support and help that will lead to the most favorable outcomes for you. We want to make sure you get the best care possible.

**The Geisinger/NCCCP Nurse Navigator can guide you through the cancer treatment process and help:**

- Fill out insurance forms
- Find ways to pay for health care if you don't have insurance
- Direct you to health care services for further diagnosis and treatment
- Direct you to local resources and support
- Keep track of and find transportation to your appointments
- Get your questions answered
- Find more information on health care

**Benefits of the Geisinger/NCCCP Nurse Navigation Program Include:**

- Improved and more timely access to health care services and information
- Fewer delayed and missed appointments
- Face-to-face interaction with our Nurse Navigators
- Customized plans of action for your treatment
- Increased satisfaction with your health care experience

---
