Introduction

This directory provides a list of Geisinger Gold's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

For some plans, you will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. Members enrolled in a Gold Classic or Gold Secure plan are required to select a PCP. Geisinger Gold encourages you to select any PCP you would like. You can also change your PCP at any time. Your PCP will coordinate your care and help arrange care by specialists. Individual providers may have restrictions on the plans they accept or may not accept new patients. You should contact and confirm acceptance with the provider before obtaining services. Gold Preferred members are not required to select a PCP.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. If you receive a bill from a non-plan provider, please contact the Customer Service Team. They will help you determine how much you owe the provider, and how much will be paid by Geisinger Gold.

Out-of-network/non-contracted providers are under no obligation to treat Geisinger Gold members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

Gold Classic and Secure members are required to use the plan providers listed in this directory. If you are outside the service area and require care, your coverage is limited. The only services covered when you are outside the service area are care for a medical emergency, including maintenance care and hospital care after you are stable (known as post-stabilization care), urgently needed care, renal dialysis (kidney), and care that Geisinger Gold has approved in advance. If you have a question whether a service is covered when you travel, please call the Customer Service Team. Gold Preferred members may use non-plan providers as allowed by their benefits.

Included in this directory are footnotes, where applicable, describing which members a provider will or will not see:

Accepts Gold Preferred only: Provider only accepts members enrolled in a Preferred (PPO) plan.

Accepts all plans except Gold Secure: Provider accepts all plans except Secure (HMO-DSNP).

Direct access plans only: Provider only accepts members who are enrolled in plans which do not require PCP referrals for specialty services.

Closed: Provider is not accepting any Geisinger Gold members. This includes current patients who become Geisinger Gold members.

Existing patients only: Provider is accepting current patients only. This includes patients who become members of Geisinger Gold. Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out-of-network providers neither Medicare nor Geisinger Gold will be responsible for the costs.

Primary care sites listed with a PHN are designated as ProvenHealth Navigator® sites. These sites offer care through a specialized approach to primary care called the “medical home model.” The physicians and office staff work collaboratively with Geisinger Gold to provide:

- same day appointments,
- onsite health coaching,
- care coordination for complex medical needs,
- preventive care such as flu shots or other immunizations, education about better managing conditions such as diabetes, and much more.

Geisinger Gold

2024 Pharmacy Directory

This pharmacy directory was updated on November 1, 2024. For more recent information or other questions, please contact Geisinger Gold Member Services at (800) 988-4861 or, TTY users should call 711, 8 a.m. to 8 p.m. (7 days a week, Oct. – Mar.) or 8 a.m. to 8 p.m. (Mon. – Fri., April – Sept.) or 8 a.m. to 2 p.m. (Sat, April- Sept.) or visit www.GeisingerGold.com

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.GeisingerGold.com. You may also call Geisinger Gold Member Services at (800) 988-4861 or, TTY users should call 711 for updated information.

Introduction: This booklet provides a list of Geisinger Gold’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Geisinger Gold Classic Advantage Rx (HMO), Geisinger Gold Classic Complete Rx (HMO), Geisinger Gold Classic Essential Rx (HMO), Geisinger Gold Classic 360 Rx (HMO) Geisinger Gold Value Rx (HMO), Geisinger Gold Preferred Advantage Rx (PPO), Geisinger Gold Preferred Complete Rx (PPO), Geisinger Gold Preferred Enhanced Rx (PPO), Geisinger Gold Secure RX (HMO D-SNP’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Geisinger Gold only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 1, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Pennsylvania, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Geisinger Gold Member Services at (800) 988-4861 or, TTY users should call 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
