SPRING 2016

Caring: our new brand

Geisinger Health System recently announced the launch of a new brand and educational campaign to build awareness of its commitment to kindness and compassion. The health system – including Geisinger Health Plan – has launched a communications program to introduce the community to Geisinger’s unique story.

The campaign will be seen in newspapers, radio, billboards and social media throughout Pennsylvania and southern New Jersey. On Super Bowl Sunday, new television commercials debuted regionally introducing the new Geisinger slogan: “Caring: It’s such an old idea it almost seems brand new.” This theme will carry throughout the new brand identity.

Over the next six to eight months, GHP will introduce the brand as well. The Geisinger Health Plan logo has changed, but our commitment to providing quality care and excellent service remains the same. We’ve updated our newsletter with a new design, but the content hasn’t changed. It’s still the same publication you’ve come to rely on for the latest news and updates that are important to you.

In this issue

- Tel-A-Nurse.....2
- Network and renewal updates.....2
- Formulary updates.....3
- Summer discounts.....4

Your 24-hour nurse advice line

When you have a health concern, call Tel-A-Nurse! This free service is available to all members and offers 24-hour medical information and advice given by nurses. Plus, you can use our convenient online messaging service to chat with a live nurse.

These nurses are trained to help you understand your symptoms and choose the right type of care. They can help you with medications and chronic health conditions, and provide useful tips. You can speak with a registered nurse regarding coughs, health advice about your new baby, colds, insect bites, arthritis pain, sunburns, information about medications, and more.

You can talk to Tel-A-Nurse by calling (877) 543-5061, 24 hours a day, 7 days a week. This service is not for medical emergencies or urgent needs and should not replace your primary care provider. Use this service for health information and advice.

Renewal information

CHIP coverage runs for a full calendar year (12 months) from the first day of enrollment until one year later. You will receive a renewal letter and renewal form 90 days before the end of the benefit period. The renewal process is easy: We send you a form pre-filled with the information you provided when you applied. All you have to do is update it! You must complete the renewal form and return it to the GHP Kids before the deadline or CHIP coverage will end on the date stated in the letter.

Network updates

For the most recent listing of our participating primary and specialty care providers, please visit our website, GHPKids.com, or call the Customer Service Team at (866) 621-5235 from 8 a.m. to 6 p.m., Monday through Friday (TDD/TTY 711). Members can also use the website to search for hospitals, pharmacies and other service providers.

Formulary updates

Members can review the formulary online at TheHealthPlan.com. The online formulary includes the most recent list of covered drugs, as well as details on quantity limits, tiers, and pharmacy management procedures. When medications are not listed on a formulary, GHP Kids will not pay for them unless an exception is granted. Some drugs may require prior authorization. Members may call (866) 621-5235 (TDD/TTY 711) with benefit questions or to request a printed formulary. Our hours are 8 a.m. to 6 p.m., Monday through Friday.
