Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit GeisingerGold.com or call 800-514-0138 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on Jan. 1 each year.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
 - This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Please note: Medical assistance (Medicaid) benefits and costs listed below are based on Pennsylvania DHS "Categorically Needy" medical assistance coverage and cost sharing. Specific coverage of any service or item depends on the recipient's medical assistance category and meeting coverage criteria for a specific benefit.

The benefits described below are covered by Medicaid. The benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits are covered by Medicare. For each benefit listed below, you can see what Medicaid covers and what our plan covers. What you pay for covered services may depend on your level of Medicaid eligibility.

When medically necessary services or items are covered by both Medicare and Medicaid, Medicare always pays first, whether you recieve Medicare coverage through Original Medicare or through a Medicare Advantage Plan such as Secure Rx (HMO D-SNP).

Pennsylvania medical assistance continues to cover your Medicaid benefits and provides coverage for Medicaid-covered services and items not covered by Medicare or Secure Rx (HMO D-SNP).

Important Information about Medical Assistance and Geisinger Gold

- If a person has both medical assistance and Medicare/Medicare Advantage coverage, the Medicare/Medicare Advantage coverage will always be used first. Medical assistance will cover anything not covered by Medicare/Medicare Advantage.
- Participating providers cannot deny services to medical assistance recipients due to inability to pay any related costs. All Secure Rx members have \$0 copayments for most covered services.
- A participating provider may not charge a medical assistance recipient more for services than is allowed by the medical assistance fee structure.
- Prior authorization is required for many services. Geisinger Gold Secure Rx also requires primary care provider referrals for specialty care.
- Both medical assistance and Geisinger Gold Secure Rx have a network of providers. Covered services must be obtained from network providers in order for those services to be paid for. If services are obtained from non-network providers, or are not covered by the benefit plan, the member is responsible for all costs.
