Evidence of Coverage:

Your Medicare Health Benefits and Services as a Member of Geisinger Gold Heritage (HMO)

This document gives you the details about your Medicare health care coverage from January 1 – December 31, 2023. This is an important legal document. Please keep it in a safe place.

For questions about this document, please contact Member Services at 1-800-498-9731. (TTY users should call 711 or 1-800-654-5984). Hours are:

October 1- March 31: 8 a.m. to 8 p.m. 7 days a week
April 1- September 30: 8 a.m. to 8 p.m. Monday-Friday; 8 a.m. to 2 p.m. Saturday

This plan, Geisinger Gold Heritage (HMO), is offered by Geisinger Health Plan. (When this Evidence of Coverage says “we,” “us,” or “our,” it means Geisinger Health Plan. When it says “plan” or “our plan,” it means Geisinger Gold Heritage (HMO).)

We can also give you plan information in braille, in audio, in large print, or other alternate formats if you need it. Member Services has free language interpreter services available for non-English speakers.

Benefits, and/or copayments/coinsurance may change on January 1, 2024.

The provider network may change at any time. You will receive notice when necessary. We will notify affected enrollees about changes at least 30 days in advance.

This document explains your benefits and rights. Use this document to understand about:

• Your plan premium and cost sharing;
• Your medical benefits;
• How to file a complaint if you are not satisfied with a service or treatment;
• How to contact us if you need further assistance; and,
• Other protections required by Medicare law.

CHAPTER 1:
Getting started as a member
SECTION 1  Introduction

Section 1.1  You are enrolled in Geisinger Gold Heritage (HMO), which is a Medicare HMO

You are covered by Medicare, and you have chosen to get your Medicare health care through our plan, Geisinger Gold Heritage (HMO). We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

Geisinger Gold Heritage (HMO) is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization) approved by Medicare and run by a private company. Geisinger Gold Heritage (HMO) does not include Part D prescription drug coverage.

Coverage under this Plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act’s (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at: www.irs.gov/Affordable-Care-Act/Individuals-and-Families for more information.

Section 1.2  What is the Evidence of Coverage document about?

This Evidence of Coverage document tells you how to get your Medicare medical care. It explains your rights and responsibilities, what is covered, what you pay as a member of the plan, and how to file a complaint if you are not satisfied with a decision or treatment.

The words “coverage” and “covered services” refer to the medical care and services available to you as a member of Geisinger Gold Heritage (HMO).

It’s important for you to learn what the plan’s rules are and what services are available to you. We encourage you to set aside some time to look through this Evidence of Coverage document.

If you are confused or concerned or just have a question, please contact our plan’s Member Services.

Section 1.3  Legal information about the Evidence of Coverage

This Evidence of Coverage is part of our contract with you about how Geisinger Gold Heritage (HMO) covers your care. Other parts of this contract include your enrollment form and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called “riders” or “amendments.”

The contract is in effect for months in which you are enrolled in Geisinger Gold Heritage (HMO) between January 1, 2023 and December 31, 2023.
Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of Geisinger Gold Heritage (HMO) after December 31, 2023. We can also choose to stop offering the plan, or to offer it in a different service area, after December 31, 2023.

Medicare (the Centers for Medicare & Medicaid Services) must approve Geisinger Gold Heritage (HMO) each year. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

SECTION 2  What makes you eligible to be a plan member?

Section 2.1  Your eligibility requirements

You are eligible for membership in our plan as long as:

- You have both Medicare Part A and Medicare Part B.
- -- and -- You live in our geographic service area (Section 2.3 below describes our service area) Incarcerated (in jail) individuals are not considered living in the geographic service area even if they are physically located in it.
- -- and -- you are a United States citizen or are lawfully present in the United States.

Section 2.2  Here is the plan service area for Geisinger Gold Heritage (HMO)

Geisinger Gold Heritage (HMO) is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes these counties in Pennsylvania:

- Adams
- Berks
- Blair
- Bradford
- Bucks
- Cambria
- Cameron
- Carbon
- Centre
- Chester
- Clearfield
- Clinton
- Columbia
- Cumberland
- Dauphin
- Franklin
- Fulton
- Huntingdon
- Juniata
- Lackawanna
- Lancaster
- Lebanon
- Lehigh
- Luzerne
- Lycoming
- Mifflin
- Monroe
- Montour
- Northampton
- Northumberland
- Perry
- Pike
- Potter
- Schuylkill
- Snyder
- Somerset
- Sullivan
- Susquehanna
- Tioga
- Union
- Wayne
- Wyoming
- York

If you plan to move out of the service area, you cannot remain a member of this plan. Please contact Member Services to see if we have a plan in your new area. When you move, you will have a Special Enrollment Period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.
It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

### Section 2.3 U.S. Citizen or Lawful Presence

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify Geisinger Gold Heritage (HMO) if you are not eligible to remain a member on this basis. Geisinger Gold Heritage (HMO) must disenroll you if you do not meet this requirement.

### SECTION 3 Important membership materials you will receive

#### Section 3.1 Your plan membership card

While you are a member of our plan, you must use your membership card whenever you get services covered by this plan. You should also show the provider your Medicaid card, if applicable. Here’s a sample membership card to show you what yours will look like:

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your Geisinger Gold Heritage (HMO) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies also called clinical trials.

If your plan membership card is damaged, lost, or stolen, call Member Services right away and we will send you a new card.

#### Section 3.2 Provider Directory

The **Provider Directory** lists our network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable
medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization you will have to pay in full. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which Geisinger Gold Heritage (HMO) authorizes use of out-of-network providers.

The most recent list of providers and suppliers is available on our website at www.GeisingerGold.com.

If you don’t have your copy of the Provider Directory, you can request a copy from Member Services.

**SECTION 4 Your monthly costs for Geisinger Gold Heritage (HMO)**

Your costs may include the following:
- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)

Medicare Part B premiums differ for people with different incomes. If you have questions about these premiums review your copy of Medicare & You 2023 handbook, the section called “2023 Medicare Costs.” If you need a copy, you can download it from the Medicare website (www.medicare.gov). Or you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

**Section 4.1 Plan premium**

You do not pay a separate monthly plan premium for Geisinger Gold Heritage (HMO).

**Section 4.2 Monthly Medicare Part B Premium**

**Many members are required to pay other Medicare premiums**

You must continue paying your Medicare premiums to remain a member of the plan. This includes your premium for Part B. It may also include a premium for Part A which affects members who aren’t eligible for premium free Part A.

**Medicare Part B Premium Reduction Benefit**

Geisinger Gold Heritage (HMO) will offer a Part B premium reduction benefit to eligible members. If you pay a Medicare Part B premium, Geisinger Gold Heritage (HMO) may pay part
of that premium for you. **We call this a Part B premium reduction program or a Part B premium reduction benefit.** It’s like getting a raise on your Social Security check. The reduction is managed through the Social Security Administration (SSA) and depending on how you pay the Part B premium, the reduction will show as an increase in your Social Security check or a credit on your Part B Medicare premium statement.

**How much will I receive if I am eligible for the Premium Reduction Program?**

*If you are eligible for the Part B Premium Reduction Program* Geisinger Gold Heritage (HMO) will give you a $40 per month reduction on your Part B premium payment. You must continue to pay the remainder of your Part B premium after the $40 reduction to remain eligible for the premium reduction program and a **member of Geisinger Gold Heritage (HMO).**

**Who is Eligible for the Medicare Part B Premium Reduction Program?**

Not **everyone is eligible** for the Part B Premium Reduction Program. There are no income related criteria you must meet to be eligible. To be eligible, you must be enrolled in both Medicare Part A and Part B, pay your Part B premium on your own, meaning you can’t be enrolled in Medicaid or get help from the government paying for your Part B premium.

**Will Geisinger Gold Heritage (HMO) send me a check?**

No. You will not receive a direct payment from Geisinger Gold Heritage (HMO). The $40 per month reduction in your Part B premium is managed through the Social Security Administration and depending on how you pay the Part B premium, the reduction will show as an increase in your Social Security check or a credit on your Medicare Part B premium statement.

**How long will it take to receive my Part B premium Give Back?**

The actual date the Part B premium reduction will appear on your Social Security payment or Medicare Part B premium invoice is dependent on the Social Security Administration and the CMS’ (Centers for Medicare and Medicaid Services) computer systems. It is possible the premium reduction might not take effect until 1 or 2 months after you are first eligible for the premium reduction program. Regardless of the timing of the Part B premium reduction program, payments will be retroactively adjusted and credited appropriately based on the effective date you are enrolled in the Part B Premium Reduction Program.

**SECTION 5 More information about your monthly premium**

**Section 5.1 Can we change your monthly plan premium during the year?**

**No.** We are not allowed to change the amount we charge for the plan’s monthly plan premium during the year. If the monthly plan premium changes for next year, we will tell you in September and the change will take effect on January 1.
SECTION 6  Keeping your plan membership record up to date

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage including your Primary Care Provider.

The doctors, hospitals, and other providers in the plan’s network need to have correct information about you. **These network providers use your membership record to know what services are covered and the cost-sharing amounts for you.** Because of this, it is very important that you help us keep your information up to date.

**Let us know about these changes:**

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage you have (such as from your employer, your spouse’s employer, workers’ compensation, or Medicaid)
- If you have any liability claims, such as claims from an automobile accident
- If you have been admitted to a nursing home
- If you receive care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you are participating in a clinical research study (Note: You are not required to tell your plan about the clinical research studies you intend to participate in but we encourage you to do so)

If any of this information changes, please let us know by calling Member Services. You may also send us a secure email telling us about changes to your membership record by visiting the member website at [www.geisinger.org](http://www.geisinger.org) and scrolling down to the section called "Health Plan shoppers & members" clicking on "Sign in to your account" near the center of the webpage. Click on “Send secure message” in the first line in the white area. Complete the form giving as much detail as possible. Click on Submit.

Registered website users may also access claims records, request replacement ID cards, change their PCP and more. Haven’t registered for access to the secure section of the website yet? Registration is easy; you will need your ID card and your email address to register. Visit [www.geisinger.org](http://www.geisinger.org), and scroll down to the section for Health Plan shoppers & members to "Sign into your account" and click on that link. Click the button “Create account”. Click on the link “Member” and follow the step-by-step instructions. If you have questions about accessing the secure Member section of our website, please call Member Services.

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.
SECTION 7  How other insurance works with our plan

Other insurance

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That’s because we must coordinate any other coverage you have with your benefits under our plan. This is called **Coordination of Benefits**.

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don’t need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Member Services. You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the “primary payer” and pays up to the limits of its coverage. The one that pays second, called the “secondary payer,” only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member’s current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
  - If you’re under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
  - If you’re over 65 and you or your spouse is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
• Workers’ compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.
CHAPTER 2: Important phone numbers and resources

How to contact us when you are asking for a coverage decision or appeal about your medical care

A “coverage decision” is a decision we make about your benefits and coverage or about the amount we will pay for your medical services. An appeal is a formal way of asking us to review and change a coverage decision we have made. For more information on asking for coverage decisions or appeals about your medical care, see Chapter 7 (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)).

Where to send a request asking us to pay for our share of the cost for medical care you have received

If you have received a bill or paid for services (such as a provider bill) that you think we should pay for, you may need to ask us for reimbursement or to pay the provider bill, see Chapter 5 (Asking us to pay our share of a bill you have received for covered medical services).

Please note: If you send us a payment request and we deny any part of your request, you can appeal our decision. See Chapter 7 (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) for more information.

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called “CMS”). This agency contracts with Medicare Advantage organizations including us.

**WEBSITE (CONTINUED)** | You can also use the website to tell Medicare about any complaints you have about Geisinger Gold Heritage (HMO):  
- **Tell Medicare about your complaint:** You can submit a complaint about Geisinger Gold Heritage (HMO) directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.  
If you don’t have a computer, your local library or senior center may be able to help you visit this website using its computer. Or, you can call Medicare and tell them what information you are looking for. They will find the information on the website and review the information with you. (You can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)

**SECTION 3** | **State Health Insurance Assistance Program**  
*(free help, information, and answers to your questions about Medicare)*

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Pennsylvania, the SHIP is called Pennsylvania Medicare Education and Decision Insight (PA MEDI).

Pennsylvania Medicare Education and Decision Insight (PA MEDI) is an independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

Pennsylvania Medicare Education and Decision Insight (PA MEDI) counselors can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. Pennsylvania Medicare Education and Decision Insight (PA MEDI) counselors can also help you with Medicare questions or problems and help you understand your Medicare plan choices and answer questions about switching plans.
METHOD TO ACCESS SHIP and OTHER RESOURCES:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Click on “Talk to Someone” in the middle of the homepage
- You now have the following options
  - Option #1: You can have a live chat with a 1-800-MEDICARE representative
  - Option #2: You can select your STATE from the dropdown menu and click GO. This will take you to a page with phone numbers and resources specific to your state.

SECTION 4  Quality Improvement Organization

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For Pennsylvania, the Quality Improvement Organization is called Livanta.

Livanta has a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. Livanta is an independent organization. It is not connected with our plan.

You should contact Livanta in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.
### Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

### SECTION 6  Medicaid

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid. The programs offered through Medicaid help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” include:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualifying Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact Pennsylvania Department of Human Services (DHS), Medical Assistance or contact your local county assistance office.

State Pharmaceutical Assistance Programs

Many states have State Pharmaceutical Assistance Programs that help some people pay for prescription drugs based on financial need, age, medical condition, or disabilities. Each state has different rules to provide drug coverage to its members.

In Pennsylvania, the State Pharmaceutical Assistance Program is PACE and PACENET.

SECTION 7 How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation’s railroad workers and their families. If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

### SECTION 8 Do you have “group insurance” or other health insurance from an employer?

If you (or your spouse) get benefits from your (or your spouse’s) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Member Services if you have any questions. You can ask about your (or your spouse’s) employer or retiree health benefits, premiums, or the enrollment period. You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

### SECTION 9 You can get assistance from Pennsylvania Area Agencies on Aging

#### Commonwealth of Pennsylvania, Department of Aging

This Pennsylvania Department of Aging webpage has links to local Area Agencies on Aging, and many other local resources that provide assistance to older Pennsylvanians. [www.aging.pa.gov](http://www.aging.pa.gov). You can also reach the Pennsylvania Department of Aging at (717) 783-1550 or via email at aging@pa.gov.

#### Area Agencies on Aging

Pennsylvania’s Area Agencies on Aging are non-profit organizations funded by Federal, State, and County governments to assist older adults by promoting the ability to live with independence and dignity.
Area Agencies on Aging (AAA) can assist you with a variety of services, information and referrals. Specific services available at each agency vary throughout the state, but each agency offers a wide array of programs to help older Pennsylvanians and their families get the help and information they need.

Your local Area Agency on Aging can assist you with services such as transportation, care management, counseling, senior centers, meal services, protective services, personal care, home support, information on housing options and long-term care, adult day care, legal assistance, ombudsman and other services that may be available in your community.

**Contact the Area Agency on Aging (AAA) that serves your county for information on the services available in your area at www.aging.pa.gov.**
CHAPTER 3: Using the plan for your medical services
SECTION 1 Things to know about getting your medical care as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, equipment, Part B prescription drugs, and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (Medical Benefits Chart, what is covered and what you pay).

Section 1.1 What are “network providers” and “covered services”?

• **“Providers”** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.

• **“Network providers”** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.

• **“Covered services”** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4.

Section 1.2 Basic rules for getting your medical care covered by the plan

As a Medicare health plan, Geisinger Gold Heritage (HMO) must cover all services covered by Original Medicare and must follow Original Medicare’s coverage rules.

Geisinger Gold Heritage (HMO) will generally cover your medical care as long as:

• **The care you receive is included in the plan’s Medical Benefits Chart** (this chart is in Chapter 4 of this document).

• **The care you receive is considered medically necessary.** “Medically necessary” means that the services, supplies, equipment, or Part B drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

• **You have a network primary care provider (a PCP) who is providing and overseeing your care.** As a member of our plan, you must choose a network PCP (for more information about this, see Section 2.1 in this chapter).
• You must receive your care from a network provider (for more information about this, see Section 2 in this chapter). In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan’s network) will not be covered. This means that you will have to pay the provider in full for the services furnished. Here are three exceptions:

• The plan covers emergency or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter.

• If you need medical care that Medicare requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. Authorization must be obtained from our plan prior to seeking care. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, see Section 2.3 in this chapter.

• The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan’s service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay the plan for dialysis can never exceed the cost sharing in Original Medicare. If you are outside the plan’s service area and obtain the dialysis from a provider that is outside the plan’s network, your cost sharing cannot exceed the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to obtain services inside the service area from a provider outside the plan’s network the cost sharing for the dialysis may be higher.

SECTION 2 Use providers in the plan’s network to get your medical care

Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your medical care

What is a “PCP” and what does the PCP do for you?

When you become a member of our plan, you must choose a network provider to be your Primary Care Provider (PCP). Your PCP is a physician who meets state requirements and is trained to give you routine medical care. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a member of our plan. This includes x-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care.

“Coordinating” your services includes checking or consulting with other network providers about your care and how your care is progressing. In some cases, your PCP will need to get prior
How do you choose your PCP?

Upon enrollment, you can choose a PCP by selecting a PCP listed in the Provider Directory or by obtaining assistance from Member Services.

Changing your PCP

You may change your PCP for any reason, at any time. Also, it’s possible that your PCP might leave our plan’s network of providers and you would have to find a new PCP.

To change your PCP, call Member Services. When you call, be sure to tell Member Services if you are seeing specialists or getting other covered services that needed your PCP’s approval (such as home health services, or durable medical equipment (DME) or podiatry routine foot care services). Member Services will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. They will also check to be sure the PCP you want to switch to is accepting new patients. Member Services will change your membership record to show the name of your new PCP and tell you when the change to your new PCP will take effect. They will send you a new membership card that shows your new PCP office unless the change of your PCP is within the same primary care office.

Section 2.2 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

When your PCP thinks that you need specialized treatment, he/she will recommend that you see a plan specialist or certain other providers. Your PCP will help you arrange or coordinate covered services you get from other plan providers.

For some types of services and care, your provider may need to get approval in advance from our plan (this is called “prior authorization”). Services that need prior authorization are identified in the Benefits Chart in Chapter 4, Section 2.1 by statements in **bold italics**. You are responsible for making sure that your provider has obtained prior authorization from the plan before you receive any care or services that require it.
What if a specialist or another network provider leaves our plan?

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. If your doctor or specialist leaves your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If our network does not have a qualified specialist for a plan-covered service, we must cover that service at in-network cost sharing. **Authorization must be obtained from the plan prior to seeking this type of out-of-network care.**
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care.
- If you believe we have not furnished you with a qualified provider to replace your previous provider, or that your care is not being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to the plan, or both. Please see Chapter 7.

### Section 2.3 How to get care from out-of-network providers

In certain situations, it may be necessary for you to obtain care outside of the plan’s network. You do not need permission from the plan (called prior authorization) to seek out-of-network emergency or urgently needed services, **but for all other types of care, you are responsible for making sure that prior authorization has been obtained before you receive out-of-network care.**

Except for emergency and urgently needed services, we will not pay for out-of-network care you receive without first obtaining prior authorization. To ask for prior authorization, please call the Member Services phone number listed on the back of your Geisinger Gold membership card.

- Our plan covers emergency care or urgently needed services that you obtain from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter. You do not need prior authorization to seek emergency or urgently needed services out-of-network. If you get emergency or urgently needed services out-of-network, your cost is the same cost you would pay in-network for the same service.
• If you need medical care that Medicare requires our plan to cover and an in-network provider cannot provide this care, you can get this care from an out-of-network provider. **Authorization must be obtained from the plan prior to seeking this type of out-of-network care.** In this situation, you will pay the same as you would pay if you got the care from a network provider.

• Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan’s service area.

• Routine and Medicare-covered eyewear (prescription eyeglasses or contact lenses) benefits may be obtained out of network. Prior authorization to go out of network for eyewear is not necessary.

• Supplemental dental benefits, up to your plan's allowed benefit maximum, can be provided by a participating provider or any licensed dentist. For more information, see your new 2023 member ID card or contact Member Services.

**SECTION 3  How to get services when you have an emergency or urgent need for care or during a disaster**

**Section 3.1  Getting care if you have a medical emergency**

**What is a “medical emergency” and what should you do if you have one?**

A **“medical emergency”** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

• **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval first from your PCP. You do not need to use a network doctor. You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they are not part of our network.

• **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. The number to call is on the back of your Geisinger Gold membership card.
What is covered if you have a medical emergency?

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was not an emergency, we will cover additional care only if you get the additional care in one of these two ways:

- You go to a network provider to get the additional care.
- – or – The additional care you get is considered “urgently needed services” and you follow the rules for getting this urgent care (for more information about this, see Section 3.2 below).

Section 3.2 Getting care when you have an urgent need for services

What are “urgently needed services”?

An “urgently needed service” is a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. For example, an unforeseen flare-up of a known condition that you have or a severe sore throat that occurs over the weekend. Urgently needed services may be furnished by out-of-network providers when it is unreasonable, given your circumstances, to obtain immediate care from network providers.

If you are in the plan's service area and have an urgent need for services, you should contact your PCP’s office first, if possible. Many primary care providers reserve some time each day to see patients with an urgent need for services. Even after hours, your PCP may be able to assist you,
or may be able to direct you to a partnering in-network provider who is on call for urgent after-hours services. You may also call our 24-hour nurse line, Tel-a-nurse, for assistance at 877-543-5061. If your PCP and other network providers are unavailable or inaccessible, our plan will cover urgently needed services that you receive at an urgent care center or from an out-of-network provider.

Our plan covers worldwide emergency and urgent care services outside the United States under the following circumstances.

If an urgent need for medical services occurs while you are traveling outside the United States, your Geisinger Gold Worldwide Emergency/Urgent Coverage benefit will cover urgently needed services you receive outside of the United States and its territories. Coverage is limited to services that would be classified as urgently needed services had you received them inside the United States, up to a combined Worldwide Emergency/Urgent Coverage benefit limit of $100,000 per year. Our plan does not cover non-emergency/non-urgent services if you receive the care outside of the United States.

For more information, please see the Worldwide emergency/urgent coverage section of the Benefit Chart in Chapter 4 or contact Member Services.

### Section 3.3 Getting care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: www.GeisingerGold.com for information on how to obtain needed care during a disaster.

If you cannot use a network provider during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost sharing.

### SECTION 4 What if you are billed directly for the full cost of your services?

#### Section 4.1 You can ask us to pay our share of the cost of covered services

If you have paid more than your plan cost-sharing for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 5 (Asking us to pay our share of a bill you have received for covered medical services) for information about what to do.
Section 4.2  If services are not covered by our plan, you must pay the full cost

Geisinger Gold Heritage (HMO) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4 of this document. If you receive services not covered by our plan or services obtained out-of-network and were not authorized, you are responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you have used up your benefit for that type of covered service. Costs you have paid once a benefit limit has been reached will not count toward your out-of-pocket maximum.

SECTION 5  How are your medical services covered when you are in a “clinical research study”? 

Section 5.1  What is a “clinical research study”? 

A clinical research study (also called a “clinical trial”) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically request volunteers to participate in the study.

Once Medicare approves the study, and you express interest, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study and you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. If you tell us that you are in a qualified clinical trial, then you are only responsible for the in-network cost sharing for the services in that trial. If you paid more, for example, if you already paid the Original Medicare cost-sharing amount, we will reimburse the difference between what you paid and the in-network cost sharing. However, you will need to provide documentation to show us how much you paid. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in any Medicare-approved clinical research study, you do not need to tell us or to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do not need to be part of our plan’s network of providers.

Although you do not need to get our plan’s permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.
If you participate in a study that Medicare has not approved, you will be responsible for paying all costs for your participation in the study.

<table>
<thead>
<tr>
<th>Section 5.2</th>
<th>When you participate in a clinical research study, who pays for what?</th>
</tr>
</thead>
</table>

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren’t in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare has paid its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan. However, you are required to submit documentation showing how much cost sharing you paid. Please see Chapter 5 for more information for submitting requests for payments.

*Here’s an example of how the cost sharing works:* Let’s say that you have a lab test that costs $100 as part of the research study. Let’s also say that your share of the costs for this test is $20 under Original Medicare, but the test would be $10 under our plan’s benefits. In this case, Original Medicare would pay $80 for the test and you would pay the $20 copay required under Original Medicare. You would then notify your plan that you received a qualified clinical trial service and submit documentation such as a provider bill to the plan. The plan would then directly pay you $10. Therefore, your net payment is $10, the same amount you would pay under our plan’s benefits. Please note that in order to receive payment from your plan, you must submit documentation to your plan such as a provider bill.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will *not* pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were *not* in a study.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.
Do you want to know more?

You can get more information about joining a clinical research study by visiting the Medicare website to read or download the publication “Medicare and Clinical Research Studies.” (The publication is available at: www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf.) You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 6  Rules for getting care in a “religious non-medical health care institution”

Section 6.1  What is a religious non-medical health care institution?

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member’s religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2  Receiving Care from a Religious Non-Medical Health Care Institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is “non-excepted.”

- “Non-excepted” medical care or treatment is any medical care or treatment that is voluntary and not required by any federal, state, or local law.

- “Excepted” medical treatment is medical care or treatment that you get that is not voluntary or is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.

- Our plan’s coverage of services you receive is limited to non-religious aspects of care.

- If you get services from this institution that are provided to you in a facility, the following conditions apply:
  - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care;
• – and – You must get approval in advance from our plan before you are admitted to the facility or your stay will not be covered.

• Original Medicare inpatient hospital coverage limits apply.

• For more information about our plan’s coverage of services, please see the Benefit Chart in Chapter 4.

SECTION 7 Rules for ownership of durable medical equipment

<table>
<thead>
<tr>
<th>Section 7.1</th>
<th>Will you own the durable medical equipment after making a certain number of payments under our plan?</th>
</tr>
</thead>
</table>

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of Geisinger Gold Heritage (HMO), however, you usually will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under certain limited circumstances we will transfer ownership of the DME item to you. Call member services for more information.

There are certain types of DME that are not eligible for conversion from rental to member ownership, including but not limited to: oxygen, ventilators and power mobility. Before converting an equipment rental to member ownership, we may need documentation from your provider stating that you continue to use the equipment and that it is still medically necessary.

For more information about rent to own DME and which network DME suppliers offer a rent to own option, please call Member Services.

If you choose a DME supplier who does the rent to own option, after the rental period is over and you become the owner, you may be responsible for part of the cost to have the equipment serviced.

Please note that accessories and supplies used on, in, or with the DME item are not included in the 13-month rental payment cap. You continue to be responsible for cost sharing on these associated items and supplies purchased for you.
What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. The payments made while enrolled in our plan do not count.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare do not count.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You were in our plan but did not obtain ownership while in our plan. You then go back to Original Medicare. You will have to make 13 consecutive new payments to own the item once you join Original Medicare again. All previous payments (whether to our plan or to Original Medicare) do not count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

What oxygen benefits are you entitled to?

If you qualify for Medicare oxygen equipment coverage, Geisinger Gold Heritage (HMO) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Geisinger Gold Heritage (HMO) or no longer medically require oxygen equipment, then the oxygen equipment must be returned.

What happens if you leave our plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for five years. During the first 36 months you rent the equipment. The remaining 24 months the supplier provides the equipment and maintenance (you are still responsible for the cost sharing for oxygen). After five years, you may choose to stay with the same company or go to another company. At this point, the five-year cycle begins again, even if you remain with the same company, requiring you to pay cost sharing for the first 36 months. If you join or leave our plan, the five-year cycle starts over.
CHAPTER 4:  
Medical Benefits Chart  
(what is covered and what you pay)
SECTION 1 Understanding your out-of-pocket costs for covered services

This chapter provides a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of Geisinger Gold Heritage (HMO). Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services.

Section 1.1 Types of out-of-pocket costs you may pay for your covered services

To understand the payment information, we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services:

- A "copayment" is a fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)

- "Coinsurance" is a percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable.

Section 1.2 What is the most you will pay for Medicare Part A and Part B covered medical services?

Because you are enrolled in a Medicare Advantage Plan, there is a limit on the amount you have to pay out-of-pocket each year for in-network medical services that are covered under Medicare Part A and Part B. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. For calendar year 2023 this amount is $6,700.

The amounts you pay for copayments and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. In addition, amounts you pay for some services do not count toward your maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart. If you reach the maximum out-of-pocket amount of $6,700, you will not have to pay any out-of-pocket costs for the rest of the year for in-network covered Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).
Section 1.3  Our plan also limits your out-of-pocket costs for certain types of services

In addition to the maximum out-of-pocket amount for covered Part A and Part B services (see Section 1.2 above), we also have a separate maximum out-of-pocket amount that applies only to certain types of services.

The plan has a maximum out-of-pocket amount of $750 for Inpatient Hospital Care. Once you have paid $750 out-of-pocket for Inpatient Hospital Care, the plan will cover these services at no cost to you for the rest of the calendar year. Both the maximum out-of-pocket amount for Part A and Part B medical services and the maximum out-of-pocket amount for Inpatient Hospital Care apply to your covered Inpatient Hospital Care. This means that once you have paid either $6,700 for Part A and Part B medical services or $750 for your Inpatient Hospital Care, the plan will cover your Inpatient Hospital Care at no cost to you for the rest of the year. The benefits chart in Section 2 shows the service category out-of-pocket maximums.

The plan has a maximum out-of-pocket amount of $750 for Inpatient Services in a Psychiatric Hospital. Once you have paid $750 out-of-pocket for Inpatient Services in a Psychiatric Hospital, the plan will cover these services at no cost to you for the rest of the calendar year. Both the maximum out-of-pocket amount for Part A and Part B medical services and the maximum out-of-pocket amount for Inpatient Services in a Psychiatric Hospital apply to your covered Inpatient Services in a Psychiatric Hospital. This means that once you have paid either $6,700 for Part A and Part B medical services or $750 for your Inpatient Services in a Psychiatric Hospital, the plan will cover your Inpatient Services in a Psychiatric Hospital at no cost to you for the rest of the year. The benefits chart in Section 2 shows the service category out-of-pocket maximums.

Section 1.4  Our plan does not allow providers to “balance bill” you

As a member of Geisinger Gold Heritage (HMO), an important protection for you is that you only have to pay your cost-sharing amount when you get services covered by our plan. Providers may not add additional separate charges, called “balance billing.” This protection applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.

Here is how this protection works:

- If your cost sharing is a copayment (a set amount of dollars, for example, $15.00), then you pay only that amount for any covered services from a network provider.
- If your cost sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
  - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan’s reimbursement rate (as determined in the contract between the provider and the plan).
• If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get an authorization from the plan, or for emergencies or urgently needed services.)

• If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get an authorization from the plan, or for emergencies or urgently needed services.)

• If you believe a provider has “balance billed” you, call Member Services.

SECTION 2 Use the Medical Benefits Chart to find out what is covered and how much you will pay

Section 2.1 Your medical benefits and costs as a member of the plan

The Medical Benefits Chart on the following pages lists the services Geisinger Gold Heritage (HMO) covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

• Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.

• Your services (including medical care, services, supplies, equipment, and Part B prescription drugs) must be medically necessary. “Medically necessary” means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

• You receive your care from a network provider. In most cases, care you receive from an out-of-network provider will not be covered unless it is emergent or urgent care. This means that you will have to pay the provider in full for the services furnished.

• You have a primary care provider (a PCP) who is providing and overseeing your care.

• Some of the services listed in the Medical Benefits Chart are covered only if your doctor or other network provider gets approval in advance (sometimes called “prior authorization”) from us. Covered services that need approval in advance are marked in the Medical Benefits Chart in bold italics. In addition, the following services not listed in the Benefits Chart require prior authorization:
  o Biofeedback Training
• We may also charge you "administrative fees" for missed appointments or for not paying your required cost sharing at the time of service. Call Member Services if you have questions regarding these administrative fees.

Other important things to know about our coverage:

• Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay more in our plan than you would in Original Medicare. For others, you pay less. (If you want to know more about the coverage and costs of Original Medicare, look in your Medicare & You 2023 handbook. View it online at www.medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)

• For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.

• If Medicare adds coverage for any new services during 2023, either Medicare or our plan will cover those services.

Important Benefit Information for Enrollees with Chronic Conditions

• If you are diagnosed with the following chronic condition(s) identified below and meet certain criteria, you may be eligible for special supplemental benefits for the chronically ill:

  1. Chronic alcohol and other drug dependence;
  2. Autoimmune disorders limited to:
     a. Polyarteritis nodosa,
     b. Polymyalgia rheumatica,
     c. Polymyositis,
     d. Rheumatoid arthritis, and
     e. Systemic lupus erythematosus;
  3. Cancer, excluding pre-cancer conditions or in-situ status;
  4. Cardiovascular disorders limited to:
     a. Cardiac arrhythmias,
     b. Coronary artery disease,
     c. Peripheral vascular disease, and
     d. Chronic venous thromboembolic disorder;
  5. Chronic heart failure;
6. Dementia;
7. Diabetes mellitus;
8. End-stage liver disease;
9. End-stage renal disease (ESRD) requiring dialysis;
10. Severe hematologic disorders limited to:
   - Aplastic anemia,
   - Hemophilia,
   - Immune thrombocytopenic purpura,
   - Myelodysplastic syndrome,
   - Sickle-cell disease (excluding sickle-cell trait), and
   - Chronic venous thromboembolic disorder;
11. HIV/AIDS;
12. Chronic lung disorders limited to:
   - Asthma,
   - Chronic bronchitis,
   - Emphysema,
   - Pulmonary fibrosis, and
   - Pulmonary hypertension;
13. Chronic and disabling mental health conditions limited to:
   - Bipolar disorders,
   - Major depressive disorders,
   - Paranoid disorder,
   - Schizophrenia, and
   - Schizoaffective disorder;
14. Neurologic disorders limited to:
   - Amyotrophic lateral sclerosis (ALS),
   - Epilepsy,
   - Extensive paralysis (i.e., hemiplegia, quadriplegia, paraplegia, monoplegia),
   - Huntington’s disease,
   - Multiple sclerosis,
   - Parkinson’s disease,
   - Polyneuropathy,
15. Stroke.

- Plan representatives and Plan care staff will verify member eligibility and assess each individual’s disease state, treatment plan, and relevant social determinants to validate any supplemental benefits provided will have reasonable impact toward maintaining or improving a member’s unique health status.

- As part of this SSBCI benefit, members who meet the eligibility criteria must receive pre-approval for any qualified benefit(s) by the Plan’s care staff, and the pre-approved benefit(s) will be subject to the total annual benefit maximum.

- Please go to the “Special Supplemental Benefits for the Chronically Ill” row in the below Medical Benefits Chart for further detail.

- Please contact us to find out exactly which benefits you may be eligible for.

Apple You will see this apple next to the preventive services in the benefits chart. Medicare covers many of these preventive services at no cost to members. To determine which preventive benefits are covered with $0 cost sharing and which have a copayment or coinsurance, please see the cost sharing listed in the Benefit Chart for each benefit.
## Medical Benefits Chart

Benefits that require prior authorization are identified in the table below by a prior authorization statement in **bold italics**.

Amounts you pay for some services do not count toward your maximum out-of-pocket amount. These services are marked with an asterisk (*) in the Medical Benefits Chart.

<table>

**Ambulance services**

- Covered ambulance services include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person’s health or if authorized by the plan.
- Non-emergency transportation by ambulance is appropriate if it is documented that the member’s condition is such that other means of transportation could endanger the person’s health and that transportation by ambulance is medically required.
- Medicare-covered non-emergency transportation by ambulance must be obtained from an in-network ambulance service.

**$100 Copayment** for Medicare-covered ambulance services. **($100 Copayment applies each way).**

If you are admitted to the hospital, you pay $0 for Medicare-covered ambulance benefits.

**Prior Authorization is required for non-emergency transportation by ambulance. The ambulance provider must contact our plan before providing services.**

(See Worldwide emergency/urgent coverage section of this Benefit Chart for the worldwide emergency transportation benefit)

**Annual wellness visit**

If you’ve had Medicare Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. This is covered once each calendar year.

**Note**: Your first annual wellness visit can’t take place within 12 months of your “Welcome to Medicare” preventive visit. However, you don’t need to have had a “Welcome to Medicare” visit to be covered for annual wellness visits after you’ve had Part B for 12 months.

There is no coinsurance, copayment, or deductible for the in-network Medicare-covered annual wellness visit.

**Bone mass measurement**

For qualified individuals (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered once every two calendar years or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician’s interpretation of the results.

There is no coinsurance, copayment, or deductible for in-network Medicare-covered bone mass measurement.

**Breast cancer screening (mammograms)**

Covered services include:
- One baseline mammogram between the ages of 35 and 39
- One screening mammogram each calendar year for women age 40 and older
- Clinical breast exams once every two calendar years

There is no coinsurance, copayment, or deductible for in-network Medicare-covered screening mammograms.
### Services that are covered for you | What you must pay when you get these services
--- | ---
**Cardiac rehabilitation services**
Comprehensive programs of cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor’s order. The plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs.

*Prior Authorization is required. Your provider must contact our Plan prior to providing services.*

$0 Copayment for in-network Medicare-covered cardiac rehabilitation services.

**Cardiovascular disease risk reduction visit (therapy for cardiovascular disease)**
We cover one visit per calendar year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you’re eating healthy.

**The cardiovascular disease risk reduction visit must be with a primary care provider.**

There is no coinsurance, copayment, or deductible for the in-network Medicare-covered intensive behavioral therapy cardiovascular disease preventive benefit.

**Cardiovascular disease testing**
Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months).

There is no coinsurance, copayment, or deductible for in-network Medicare-covered cardiovascular disease testing that is covered once every 5 years.

**Cervical and vaginal cancer screening**
Covered services include:
- For all women: Pap tests and pelvic exams are covered once every two calendar years
- If you are at high risk of cervical or vaginal cancer or you are of childbearing age and have had an abnormal Pap test within the past 3 years: one Pap test and pelvic exam each calendar year

There is no coinsurance, copayment, or deductible for in-network Medicare-covered preventive Pap and pelvic exams.
## Chiropractic services

Covered services include:
- We cover only manual manipulation of the spine to correct subluxation

### What you must pay when you get these services
- **$20 Copayment** for in-network Medicare-covered chiropractic services.

## Colorectal cancer screening

For people 50 and older, the following are covered:
- Flexible sigmoidoscopy (or screening barium enema as an alternative) once every four calendar years

One of the following once each calendar year:
- Guaiac-based fecal occult blood test (gFOBT)
- Fecal immunochemical test (FIT)

DNA based colorectal screening once every three calendar years

For people at high risk of colorectal cancer, we cover:
- Screening colonoscopy (or screening barium enema as an alternative) once every two calendar years

For people not at high risk of colorectal cancer, we cover:
- Screening colonoscopy every 10 years (120 months), but not within 48 months of a screening sigmoidoscopy

There is no coinsurance, copayment, or deductible for an in-network Medicare-covered colorectal cancer screening exam.

## Dental services

In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) are not covered by Original Medicare. We cover:

### Supplemental Dental Services

Your Geisinger Gold Heritage (HMO) Plan covers several supplemental dental services. We cover any combination of the following dental services each year, up to the annual supplemental dental services benefit limit:
- Oral exams, up to two (2) visits every year
- Routine cleanings, up to two (2) visits every year
- Dental x-rays, one (1) visit per year
- Fillings
- Simple extractions

### What you must pay when you get these services
- **$0 Copayment** for covered supplemental dental services up to the combined **$1,000** annual supplemental dental services benefit limit.

**Non-Medicare-covered** supplemental dental benefits, up to your plan's allowed benefit maximum, *can* be provided by a participating provider *OR* any licensed dentist. For more information, see your new 2023 member ID card or contact Member Services.

*The Non-Medicare-covered supplemental dental services listed in this section do not count toward the plan out-of-pocket maximum.*

**Prior Authorization is not required for the non-Medicare-covered supplemental dental services listed above when obtained in-network.**

### Medicare-covered Dental Services

Generally, Medicare-covered dental services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician.

**S20 Copayment** for in-network Medicare-covered dental services.

**Medicare-covered dental services must be provided by an in-network dental provider.**

*Prior Authorization is required. Your provider must contact our Plan prior to providing services.*

### Depression screening

We cover one screening for depression per calendar year. The screening must be done in a primary care setting that can provide follow-up treatment.

There is no coinsurance, copayment, or deductible for an in-network Medicare-covered annual depression screening visit.
## Diabetes screening

We cover this screening (includes fasting glucose tests) if you have any of the following risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes.

Based on the results of these tests, you may be eligible for up to two diabetes screenings each calendar year.

## Diabetes self-management training, diabetic services and supplies

### Diabetes self-management training

- Diabetes self-management training is covered under certain conditions

### Diabetes services and supplies

For all people who have diabetes (insulin and non-insulin users). Covered services include:

- Supplies to monitor your blood glucose: Blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors. This is not a preventive service, cost sharing applies.

**Prior Authorization is required for more than 200 test strips per month, non-preferred brand glucometers and non-preferred brand test strips. Your provider must contact our Plan prior to providing services.**

**Preferred Brand Glucometers are limited to one every two years, unless prior authorization is obtained.**

Continuous Glucose Monitors may be covered for people who use insulin and meet the medical necessity criteria.

- For people with diabetes who have severe diabetic foot disease: One pair per calendar year of therapeutic custom-

</tr>
</tbody>
</table>

### Durable medical equipment (DME) and related supplies

(For a definition of “durable medical equipment,” see Chapter 10 as well as Chapter 3, Section 7 of this document.)

Covered items include, but are not limited to: wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers.

We cover all medically necessary DME covered by Original Medicare. If our supplier in your area does not carry a particular brand or manufacturer, you may ask them if they can special order it for you. The most recent list of suppliers is available on our website at www.GeisingerGold.com. Durable Medical Equipment (DME) & supplies services are managed and fulfilled by a Geisinger Gold Vendor. Members can visit the website at home.TomorrowHealth.com/ghp or call 844-402-4344 to place or track their order status.

*Prior Authorization is required. Your provider must contact our Plan prior to providing services.*

Please see the previous section in this table for more information about Plan coverage of diabetic supplies.

**20% Coinsurance** for in-network Medicare-covered DME.

Your cost sharing for oxygen equipment coverage is 20% coinsurance, every time your oxygen supplier bills Geisinger Gold.

Your cost sharing will not change after being enrolled for 36 months.

If prior to enrolling in Geisinger Gold Heritage (HMO) you had made 36 months of rental payment for oxygen equipment coverage, your cost sharing in Geisinger Gold Heritage (HMO) is 20% coinsurance.
## Emergency care

Emergency care refers to services that are:

- Furnished by a provider qualified to furnish emergency services, and
- Needed to evaluate or stabilize an emergency medical condition.

A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Cost sharing for necessary emergency services furnished out-of-network is the same as for such services furnished in-network.

See Worldwide emergency/urgent coverage section of this Benefit Chart for the worldwide emergency services benefit.

Please contact Member Services for more details.

### Cost sharing

$95 Copayment for Medicare-covered emergency care visits.

If you are admitted as an inpatient to the hospital within 3 days for the same condition, you pay $0 for the emergency care visit.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

## Health and wellness education programs

### Fitness benefit

To promote exercise, health and wellness, and staying active, Geisinger Gold will pay up to a combined maximum benefit limit every calendar quarter towards the purchase of a fitness center membership. This benefit includes coverage of a membership to a gym, fitness center, or exercise facility of your choice or fees for certain fitness/exercise classes.

The following services **are not covered**:

- Personal trainers
- In-home exercise coaches

If you have any questions regarding the combined maximum Fitness benefit (covered every calendar quarter), please contact Member Services or log on to our website at www.GeisingerGold.com

### Benefit limit

$90 benefit limit every calendar quarter toward a combined fitness center membership fees at a gym, fitness center, or exercise facility of your choice or fees for certain fitness/exercise classes.
Services that are covered for you | What you must pay when you get these services
--- | ---
Tel-a-Nurse Nurseline | There is no charge for calling the Tel-A-Nurse line.

Tel-A-Nurse Phone: 877-543-5061
Calls to this number are free.

Tel-A-Nurse hours are
24 hours a day, seven days a week

The Tel-A-Nurse nurse line provides plan members with health and wellness advice and information by telephone, toll-free, 24 hours per day, 365 days per year or via live chat online, 24 hours per day. Members may speak to a registered nurse at any time to obtain general information on all types of non-emergency health and medical conditions. An audio library is also available by calling the Tel-A-Nurse toll-free phone number. This library is a compilation of recorded advice on many health topics, like viral infections, nutrition, and more.

Other Health Management and Wellness Services

Geisinger Gold health management programs offer support for chronic medical conditions, such as diabetes, hypertension, heart failure, COPD and asthma. Our health managers provide personalized care, education, and guidance for members with chronic health conditions. They also work in partnership with doctors to develop a personalized plan of care to help you prevent disease and disability and stay healthier.

Other wellness tools are also available to help you meet your health goals. Additional information about our other wellness services and tools are available by logging in at www.GeisingerGold.com.

Hearing services

Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when furnished by a physician, audiologist, or other qualified provider.

The following hearing services are covered:

- One (1) routine hearing exam per calendar year, performed by a physician, audiologist or other qualified provider

$20 Copayment for in-network Medicare-covered diagnostic hearing exams. An office visit copayment may also apply.

$20 Copayment for one in-network routine hearing

</table>

### HIV screening

For people who ask for an HIV screening test or who are at increased risk for HIV infection, we cover:

- One screening exam each calendar year

For women who are pregnant, we cover:

- Up to three screening exams during a pregnancy

There is no coinsurance, copayment, or deductible for members eligible for in-network Medicare-covered preventive HIV screening.

### Home health agency care

Prior to receiving home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort.

Covered services include, but are not limited to:

- Part-time or intermittent skilled nursing and home health aide services (To be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week)
- Physical therapy, occupational therapy, and speech therapy
- Medical and social services
- Medical equipment and supplies

S0 Copayment for in-network Medicare-covered home health agency care services.
### Home infusion therapy

Home infusion therapy involves the intravenous or subcutaneous administration of drugs or biologicals to an individual at home. The components needed to perform home infusion include the drug (for example, antivirals, immune globulin), equipment (for example, a pump), and supplies (for example, tubing and catheters).

Covered services include, but are not limited to:

- Professional services, including nursing services, furnished in accordance with the plan of care
- Patient training and education not otherwise covered under the durable medical equipment benefit
- Remote monitoring
- Monitoring services for the provision of home infusion therapy and home infusion drugs furnished by a qualified home infusion therapy supplier

*Prior Authorization is required. Your provider must contact our Plan prior to providing services.*

<table>

</tr>
</thead>
<tbody>
<tr>
<td>Prior Authorization is required. Your provider must contact our Plan prior to providing services.</td>
<td><strong>20% Coinsurance</strong> for in-network Medicare-covered home infusion therapy benefits</td>
</tr>
</tbody>
</table>

### Hospice care

You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you’re terminally ill and have 6 months or less to live if your illness runs its normal course. You may receive care from any Medicare-certified hospice program. Your plan is obligated to help you find Medicare-certified hospice programs in the plan’s service area, including those the MA organization owns, controls, or has a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider.

Covered services include:

When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not Geisinger Gold Heritage (HMO).
<table>
<thead>
<tr>
<th>Services that are covered for you</th>

</tr>
</thead>
<tbody>
<tr>
<td>• Drugs for symptom control and pain relief</td>
<td></td>
</tr>
<tr>
<td>• Short-term respite care</td>
<td></td>
</tr>
<tr>
<td>• Home care</td>
<td></td>
</tr>
</tbody>
</table>

When you are admitted to a hospice you have the right to remain in your plan; if you chose to remain in your plan you must continue to pay plan premiums.

For hospice services and for services that are covered by Medicare Part A or B and are related to your terminal prognosis:

Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for. You will be billed Original Medicare cost sharing.

For services that are covered by Medicare Part A or B and are not related to your terminal prognosis:

If you need non-emergency, non-urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan’s network and follow plan rules (such as if there is a requirement to obtain prior authorization).

- If you obtain the covered services from a network provider and follow plan rules for obtaining service, you only pay the plan cost-sharing amount for in-network services
- If you obtain the covered services from an out-of-network provider, you pay the cost sharing under Fee-for-Service Medicare (Original Medicare)

For services that are covered by Geisinger Gold Heritage (HMO) but are not covered by Medicare Part A or B: Geisinger Gold Heritage (HMO) will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost-sharing amount for these services.

**Note:** If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services.

Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn’t elected the hospice benefit. $0 Copayment for one-time only hospice consultation services.

**Inpatient hospital care**

Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor’s order. The day before you are discharged is your last inpatient day.

There is no limit to the number of covered days as long as an inpatient level of care is medically necessary.

*Prior Authorization is required for routine or planned hospital admissions and all transplant-related care. Your provider must contact our Plan prior to providing services.*

*If you are admitted in an emergency or urgent situation, you or someone else should call to tell us about your emergency care, usually within 48 hours. The number to call is on your Geisinger Gold membership card.*

Covered services include but are not limited to:

- Semi-private room (or a private room if medically necessary)
- Meals including special diets
- Regular nursing services
- Costs of special care units (such as intensive care or coronary care units)
- Drugs and medications
- Lab tests
- X-rays and other radiology services
- Necessary surgical and medical supplies

$150 Copayment per day (Days 1-5 only) for each Medicare-covered inpatient hospital stay. Copayment is charged starting on the day you are admitted. You do not pay a copayment for the day you are discharged.

$750 Out-of-Pocket Maximum for Inpatient Hospital Care:

Once you have paid either $6,700 Out-of-Pocket Maximum for Part A and Part B medical services or $750 Out-of-Pocket Maximum for your Inpatient Hospital Care, the plan will cover your Inpatient Hospital Care at no cost to you for the rest of the year.

If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the

If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If Geisinger Gold Heritage (HMO) provides transplant services at a location outside the pattern of care for transplants in your community and you choose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. We will reimburse appropriate travel expenses based upon limits set by the GSA/IRS federal per diem rates and travel expense reimbursement rules. *Travel, lodging and meals do not count toward the maximum out-of-pocket cost limits. For information on submitting receipts and the plan’s specific guidelines for travel, lodging and meal reimbursement, please contact Member Services.</td>
<td></td>

</tbody>
</table>
## Services that are covered for you

**Inpatient stay: Covered services received in a hospital or SNF during a non-covered inpatient stay**

If you have exhausted your inpatient benefits or if the inpatient stay is not reasonable and necessary, we will not cover your inpatient stay. However, in some cases, we will cover certain services you receive while you are in the hospital or the skilled nursing facility (SNF). Covered services include, but are not limited to:

- Physician services
- Diagnostic tests (like lab tests)
- X-ray, radium, and isotope therapy including technician materials and services
- Surgical dressings
- Splints, casts and other devices used to reduce fractures and dislocations
- Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices
- Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient’s physical condition
- Physical therapy, speech therapy, and occupational therapy

**Prior Authorization is required for some outpatient services. Your provider must contact our Plan prior to providing services. Please refer to each benefit section for more information.**

### Medical nutrition therapy

This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor.

We cover 3 hours of one-on-one counseling services during your first year that you receive medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you

#### Medicare Diabetes Prevention Program (MDPP)

MDPP services will be covered for eligible Medicare beneficiaries under all Medicare health plans.

MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.

There is no coinsurance, copayment, or deductible for the in-network Medicare-covered MDPP benefit.

#### Medicare Part B prescription drugs

These drugs are covered under Part B of Original Medicare. Members of our plan receive coverage for these drugs through our plan.

**Medicare Part B prescription drugs require prior authorization and/or step therapy. Your provider must contact our plan.**

Covered drugs include:

- Drugs that usually aren’t self-administered by the patient and are injected or infused while you are getting physician, hospital outpatient, or ambulatory surgical center services
- Drugs you take using durable medical equipment (such as nebulizers) that were authorized by the plan
- Clotting factors you give yourself by injection if you have hemophilia
- Immunosuppressive Drugs, if you were enrolled in Medicare Part A at the time of the organ transplant
- Injectable osteoporosis drugs, if you are homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and cannot self-administer the drug
- Antigens
- Certain oral anti-cancer drugs and anti-nausea drugs
- Certain drugs for home dialysis, including heparin, the antidote for heparin when medically necessary, topical anesthetics, and erythropoiesis-stimulating agents (such as:

| 5% Coinsurance - 20% Coinsurance for in-network Medicare-covered Part B prescription drugs. |
| 5% Coinsurance for in-network Medicare-covered insulin administered through Durable Medical Equipment (DME) (i.e., insulin pump). |
| 20% Coinsurance for all other in-network Medicare-covered Medicare Part B drugs including the administration of the drug. |

- Epogen®, Procrit®, Epoetin Alfa, Aranesp®, or Darbepoetin Alfa)
- Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases

Covered drugs that may be subject to step therapy include, but are not limited to:
- Erythropoetin Stimulating Agents
- Granulocyte Colony Stimulating Factors
- Infliximab Agents
- Wet Macular Degeneration Agents

The following link will take you to a list of Part B Drugs that may be subject to Step Therapy: [www.geisinger.org/health-plan/plans/geisinger-gold-medicare/a-geisinger-gold-member](http://www.geisinger.org/health-plan/plans/geisinger-gold-medicare/a-geisinger-gold-member)

We also cover some vaccines under our Part B prescription drug benefit.

**Obesity screening and therapy to promote sustained weight loss**

If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.

There is no coinsurance, copayment, or deductible for in-network Medicare-covered preventive obesity screening and therapy.

**Opioid treatment program services**

Members of our plan with opioid use disorder (OUD) can receive coverage of services to treat OUD through an Opioid Treatment Program (OTP) which includes the following services:
- U.S. Food and Drug Administration (FDA)-approved opioid agonist and antagonist medication-assisted treatment (MAT) medications.
- Dispensing and administration of MAT medications (if applicable)
- Substance use counseling
- Individual and group therapy
- Toxicology testing
- Intake activities

20% Coinsurance for in-network Medicare-covered Opioid treatment program services.
### Services that are covered for you

- Periodic assessments

**Prior Authorization is required. Your provider must contact our Plan prior to providing services by contacting the mental health/substance abuse phone number located on the back of your membership card.**

**Outpatient hospital observation**

Observation services are hospital outpatient services given to determine if you need to be admitted as an inpatient or can be discharged.

For outpatient hospital observation services to be covered, they must meet the Medicare criteria and be considered reasonable and necessary. Observation services are covered only when provided by the order of a physician or another individual authorized by state licensure law and hospital staff bylaws to admit patients to the hospital or order outpatient tests.

**Note:** Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.” If you are not sure if you are an outpatient, you should ask the hospital staff.

You can also find more information in a Medicare fact sheet called “Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!” This fact sheet is available on the Web at [https://www.medicare.gov/sites/default/files/2021-10/11435-Inpatient-or-Outpatient.pdf](https://www.medicare.gov/sites/default/files/2021-10/11435-Inpatient-or-Outpatient.pdf) or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

**Prior Authorization is required. Your provider must contact our Plan prior to providing services.**

**$0 Copayment-$200 Copayment** for in-network Medicare-covered observation services.

**$200 Copayment** only applies for patients that are admitted directly to in-network Medicare-covered outpatient hospital observation services. Copayment is per day.

**$0 Copayment** for all other in-network Medicare-covered outpatient hospital observation services.
## Outpatient hospital services

We cover medically-necessary services you get in the outpatient department of a hospital for diagnosis or treatment of an illness or injury.

Covered services include, but are not limited to:

- Services in an emergency department or outpatient clinic, such as observation services or outpatient surgery
- Laboratory and diagnostic tests billed by the hospital
- Mental health care, including care in a partial-hospitalization program, if a doctor certifies that inpatient treatment would be required without it
- X-rays and other radiology services billed by the hospital
- Medical supplies such as splints and casts
- Certain drugs and biologicals that you can’t give yourself

**Prior Authorization is required. Your provider must contact our Plan prior to providing services.**

**Medicare Part B prescription drugs require prior authorization and/or step therapy. Your provider must contact our plan.**

**Note:** Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.” If you are not sure if you are an outpatient, you should ask the hospital staff.

You can also find more information in a Medicare fact sheet called “Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!” This fact sheet is available on the Web at [https://www.medicare.gov/sites/default/files/2021-10/11435-Inpatient-or-Outpatient.pdf](https://www.medicare.gov/sites/default/files/2021-10/11435-Inpatient-or-Outpatient.pdf) or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.

## Outpatient mental health care

Covered services include:

Mental health services provided by a state-licensed psychiatrist or doctor, clinical psychologist, clinical social worker, clinical nurse specialist, nurse practitioner, physician

**$10 Copayment** for each in-network Medicare-covered individual session.
### Services that are covered for you

</tr>
</tbody>
</table>

### Outpatient rehabilitation services

Covered services include: physical therapy, occupational therapy, and speech language therapy.

Outpatient rehabilitation services are provided in various outpatient settings, such as hospital outpatient departments, independent therapist offices, and Comprehensive Outpatient Rehabilitation Facilities (CORFs).

Prior Authorization is required. Your provider must contact our Plan prior to providing services.

**$20 Copayment** for in-network Medicare-covered outpatient rehabilitation services.

### Outpatient substance abuse services

Medicare-covered outpatient substance abuse services provided by a state-licensed psychiatrist or doctor, clinical psychologist, clinical social worker, clinical nurse specialist, nurse practitioner, physician assistant, or other Medicare-qualified substance abuse care professional as allowed under applicable state laws.

Prior Authorization is required. Your provider must contact our Plan prior to providing services by contacting the mental health/substance abuse phone number located on the back of your membership card.

**$10 Copayment** for each in-network Medicare-covered individual session.  
**$5 Copayment** for each in-network Medicare-covered group session.

### Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers

Medicare-covered outpatient surgery services include outpatient surgical procedures furnished in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location.

The outpatient surgery copayment charged by your Geisinger Gold Plan is determined by the type of procedure, and by not the type of location where the surgical procedure is performed.

**$0 Copayment-$200 Copayment** for in-network Medicare-covered outpatient surgery services furnished in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location.
<table>
<thead>
<tr>

</thead>
</table>
| • There is no **outpatient surgery copayment** applied to very simple outpatient surgical procedures such as the surgical removal or destruction of small skin lesions*, small moles, warts, skin tags, and similar procedures and wound closures (stitches) for small cuts and wounds.  

*Removal of certain types of skin lesions, such as those that are cancerous, may require more complex surgical procedures, such as Mohs surgery. All complex surgery will have the Plan’s full outpatient surgery copayment.  

**Note:** If you are having surgery in a hospital facility, you should check with your provider about whether you will be an inpatient or outpatient. Unless the provider writes an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient surgery. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”  

**Prior Authorization is required. Your provider must contact our Plan prior to providing services.** |

| $0 Copayment applies only to in-network Medicare-covered very simple outpatient surgical procedures such as the surgical removal or destruction of small skin lesions, small moles warts, skin tags, and wound closures (stitches) for small cuts and wounds, provided in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location. |

| $200 Copayment applies to all other in-network Medicare-covered outpatient surgical procedures not listed above that are furnished in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location. |

Copayment is charged for each outpatient surgery services visit.
Over-the-counter Medications/Supplies

Geisinger Gold Heritage (HMO) will cover certain over-the-counter (OTC) medications, vitamins and medical supplies, up to the quarterly benefit limit.

Geisinger Gold Heritage (HMO) members will receive a debit card in the mail, which can be used like a regular credit or debit card to purchase approved over-the-counter items at participating locations. A list of eligible OTC items and participating locations will be sent with your OTC debit card. These lists may be updated periodically.

At the beginning of each calendar quarter, Geisinger Gold will apply the quarterly benefit limit for you to use on approved OTC items during the quarter. Any unused balance on the card at the end of the quarter will not carry over to the following quarter.

Members will swipe their OTC debit card at the check-out counter to pay for their eligible purchases, up to the quarterly benefit limit.

Please call Pharmacy Member Services at (800) 988-4861 (TTY users call PA Relay: 711).

For OTC card services, including checking your balance and finding a participating retailer call 1-888-682-2400, or go to www.mybenefitscenter.com.

For OTC card mail order services, call 833-569-2171 Monday - Friday 8 am -7 pm or go to https://athome.medline.com.geisinger

Partial hospitalization services

“Partial hospitalization” is a structured program of active psychiatric treatment provided as a hospital outpatient service or by a community mental health center, that is more intense than the care received in your doctor’s or therapist’s office and is an alternative to inpatient hospitalization.

Prior Authorization is required. Your provider must contact our Plan prior to providing services by contacting the mental

$25 Copayment per day for in-network Medicare-covered partial hospitalization services.

$0 Copayment for in-network Medicare-covered primary care visits.

$20 Copayment for in-network Medicare-covered physician specialist visits and specific medical procedures.

$0 Copayment-$200 Copayment for in-network Medicare-covered outpatient surgery services furnished in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location.

$0 Copayment applies only to in-network Medicare-covered very simple outpatient surgical procedures such as the surgical removal or destruction of small skin lesions, small moles warts, skin tags, and wound closures (stitches) for small cuts and wounds, provided in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location.
### Services that are covered for you

- Telehealth services for monthly end-stage renal disease-related visits for home dialysis members in a hospital-based or critical access hospital-based renal dialysis center, renal dialysis facility, or the member’s home
- Telehealth services to diagnose, evaluate, or treat symptoms of a stroke, regardless of your location
- Telehealth services for members with a substance use disorder or co-occurring mental health disorder, regardless of their location
- Telehealth services for diagnosis, evaluation, and treatment of mental health disorders if:
  - You have an in-person visit within 6 months prior to your first telehealth visit
  - You have an in-person visit every 12 months while receiving these telehealth services
  - Exceptions can be made to the above for certain circumstances
- Telehealth services for mental health visits provided by Rural Health Clinics and Federally Qualified Health Centers
- Virtual check-ins (for example, by phone or video chat) with your doctor for 5-10 minutes if:
  - You’re not a new patient and
  - The check-in isn’t related to an office visit in the past 7 days and
  - The check-in doesn’t lead to an office visit within 24 hours or the soonest available appointment
- Evaluation of video and/or images you send to your doctor, and interpretation and follow-up by your doctor within 24 hours if:
  - You’re not a new patient and
  - The evaluation isn’t related to an office visit in the past 7 days and
  - The evaluation doesn’t lead to an office visit within 24 hours or the soonest available appointment
- Consultation your doctor has with other doctors by phone, internet, or electronic health record
- Second opinion by another network provider prior to surgery

### What you must pay when you get these services

- **$200 Copayment applies to all other in-network Medicare-covered outpatient surgical procedures not listed above that are furnished in a physician’s office, certified ambulatory surgical center, hospital outpatient department, or any other location.**
  - Copayment is charged for each outpatient surgery services visit.

- **$0 Copayment - $20** Copayment for in-network Medicare Telehealth Services as follows:
  - **$0 Copayment** for PCP Telehealth Services.
  - **$5 Copayment** for Group Telehealth Mental Health Services, Group Telehealth Psychiatry Services, Group Telehealth Substance Abuse Services, Medical Urgent Care Telehealth Services
  - **$10 Copayment** for Individual Telehealth Mental Health Services, Individual Telehealth Psychiatry Services, Individual Telehealth Substance Abuse Services, Mental Health/Substance Abuse
Non-routine dental care (covered services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician)

Prior Authorization is required. Your provider must contact our Plan prior to providing services.

Podiatry services

Medicare-covered services include:

- Diagnosis and the medical or surgical treatment of injuries and diseases of the feet (such as hammer toe or heel spurs)
- Routine foot care for members with certain medical conditions affecting the lower limbs. Routine foot care includes the cutting or removal of corns and calluses; the trimming cutting, clipping or debridement of nails; and other hygienic and preventive maintenance care of the feet.
- You must have a visit with your primary care physician or other ordering physician within six months of your podiatry appointment. Have this date handy when checking in for your appointment.
- If you have an underlying condition, like diabetes, you must be seeing your ordering physician for it as it relates to your routine foot care. Your physician must document the underlying condition and include the information in the order (even though it’s part of your medical record). This needs to occur every six months to qualify for coverage.

Supplemental Nail Trim Benefit:

- In addition to your Medicare covered podiatry services, Geisinger Gold provides an additional supplement benefit that covers routine trimming of nail length up to four (4) times per calendar year at no cost.

</table>
| **Prostate cancer screening exams**  
For men age 50 and older, covered services include the following - once each calendar year:  
• Digital rectal exam  
• Prostate Specific Antigen (PSA) test | There is no coinsurance, copayment, or deductible for an in-network Medicare-covered annual PSA test. |

| Prosthetic devices and related supplies  
Devices (other than dental) that replace all or part of a body part or function. These include, but are not limited to: colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic devices, and repair and/or replacement of prosthetic devices. Also includes some coverage following cataract removal or cataract surgery – see “Vision Care” later in this section for more detail.  
Prior Authorization is required. Your provider must contact our Plan prior to providing services. | 20% Coinsurance for in-network Medicare-covered prosthetic items. |

| Pulmonary rehabilitation services  
Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and an order for pulmonary rehabilitation from the doctor treating the chronic respiratory disease.  
Prior Authorization is required. Your provider must contact our Plan prior to providing services. | $0 Copayment for in-network Medicare-covered pulmonary rehabilitation services. |

| Screening and counseling to reduce alcohol misuse  
We cover one alcohol misuse screening for adults with Medicare (including pregnant women) who misuse alcohol, but aren’t alcohol dependent.  
If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you’re competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting. | There is no coinsurance, copayment, or deductible for the in-network Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit obtained from a primary care provider. |
### Services that are covered for you

<table>
<thead>
<tr>
<th>Screening for lung cancer with low dose computed tomography (LDCT)</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>For qualified individuals,</strong> a LDCT is covered once each calendar year.</td>
</tr>
<tr>
<td><strong>Eligible members are:</strong> people aged 50 – 77 years who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 20 pack-years and who currently smoke or have quit smoking within the last 15 years, who receive a written order for LDCT during a lung cancer screening counseling and shared decision making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner.</td>
</tr>
<tr>
<td>For <strong>LDCT lung cancer screenings after the initial LDCT screening:</strong> the member must receive a written order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision-making visit for subsequent lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.</td>
</tr>
</tbody>
</table>

There is no coinsurance, copayment, or deductible for the in-network Medicare-covered counseling and shared decision-making visit or for the LDCT.

### Screening for sexually transmitted infections (STIs) and counseling to prevent STIs

We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once each calendar year or at certain times during pregnancy.

We also cover up to 2 individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We will only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor’s office.

There is no coinsurance, copayment, or deductible for the in-network Medicare-covered screening for STIs and counseling for STIs preventive benefit obtained from a primary care provider.
## Services to treat kidney disease

**Covered services include:**

- Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to six sessions of kidney disease education services per lifetime.
- Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3, or when your provider for this service is temporarily unavailable or inaccessible).
- Inpatient dialysis treatments (if you are admitted as an inpatient to a hospital for special care).
- Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments).
- Home dialysis equipment and supplies.
- Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply).

Certain drugs for dialysis are covered under your Medicare Part B drug benefit. For information about coverage for Part B Drugs, please go to the section, “Medicare Part B prescription drugs.”

## Services that are covered for you

- Drugs administered to you as part of your plan of care (This includes substances that are naturally present in the body, such as blood clotting factors.)
- Blood - including storage and administration. Coverage of whole blood and packed red cells begins only with the fourth pint of blood that you need - you must either pay the costs for the first 3 pints of blood you get in a calendar year or have the blood donated by you or someone else. Storage and administration fees and all other components of blood are covered beginning with the first pint used.
- Medical and surgical supplies ordinarily provided by SNFs
- Laboratory tests ordinarily provided by SNFs
- X-rays and other radiology services ordinarily provided by SNFs
- Use of appliances such as wheelchairs ordinarily provided by SNFs
- Physician/Practitioner services

## What you must pay when you get these services

- Up to 100 days are covered per Medicare-covered benefit period. No prior hospital stay is required.
- A SNF benefit period begins the day you go into a skilled nursing facility. The benefit period ends when you haven’t received any inpatient skilled care in a SNF or a hospital for 60 days in a row.

### Smoking and tobacco use cessation (counseling to stop smoking or tobacco use)

If you use tobacco, but do not have signs or symptoms of tobacco-related disease: We cover two counseling quit attempts each calendar year as a preventive service with no cost to you. Each counseling attempt includes up to four face-to-face visits.

If you use tobacco and have been diagnosed with a tobacco-related disease or are taking medicine that may be affected by tobacco: We cover cessation counseling services. We cover

There is no coinsurance, copayment, or deductible for the in-network Medicare-covered smoking and tobacco use cessation preventive benefits.

## Special Supplemental Benefits for the Chronically Ill

Members who meet Medicare-defined SSBCI eligibility criteria and engage with plan-sponsored care management, enhanced disease management, or similar wellness programs may qualify for the following supplemental benefits:

- in home support
- indoor air quality equipment and services
- limited meals
- structural home modifications
- transitional/temporary supports

Plan representatives and Plan care staff will verify member eligibility and assess each individual’s disease state, treatment plan, and relevant social determinants to validate any supplemental benefit(s) provided will have reasonable impact toward maintaining or improving a member’s unique health status.

As part of this SSBCI benefit, members who meet the eligibility criteria must receive pre-approval for any qualified benefit(s) from the Plan’s care staff, and the pre-approved benefit(s) will be subject to the total annual benefit maximum.

Individual approvals must be obtained for each SSBCI service or item covered under this benefit. Approvals have an expiration date; approved services and/or items must be obtained before the approval expires. If the approved service is not obtained before the approval expires, the member must contact the plan and request a new approval.

See Important Benefit Information for Enrollees with Chronic Conditions in Section 2.1 of this Chapter for additional details.

As a member of Geisinger Gold, you are responsible for understanding that the annual combined SSBCI benefit limit may not be exceeded.

</table>
| **Supervised Exercise Therapy (SET)**
SET is covered for members who have symptomatic peripheral artery disease (PAD).
Up to 36 sessions over a 12-week period are covered if the SET program requirements are met.
The SET program must:
- Consist of sessions lasting 30-60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication
- Be conducted in a hospital outpatient setting or a physician’s office
- Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms, and who are trained in exercise therapy for PAD
- Be under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques
SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time if deemed medically necessary by a health care provider.
*Prior Authorization is required. Your provider must contact our Plan prior to providing services.* |
| **Urgently needed services**
Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care, but given your circumstances, it is not possible, or it is unreasonable, to obtain services from network providers. Examples of urgently needed services that the plan must cover out of network are 1) you need immediate care during the weekend, or 2) you are temporarily outside the service area of the plan. Services must be immediately needed and medically necessary. If it is unreasonable given your circumstances to immediately obtain the medical care from a network provider, then your plan will cover the urgently needed services from a provider out-of-network.
(See Worldwide emergency/urgent coverage section of this Benefit Chart for the worldwide urgent care benefit) | **$0 Copayment** for in-network Medicare-covered supervised exercise therapy services.
**$20 Copayment** for Medicare-covered urgently needed services visits.
If you are admitted to the hospital within 3 days for the same condition, you pay **$0** for the urgent care visit. |
## Services that are covered for you | What you must pay when you get these services

Please contact Member Services for more details.

### Vision care

#### Preventive vision care

- For people who are at high risk of glaucoma, we will cover one glaucoma screening each year. People at high risk of glaucoma include: people with a family history of glaucoma, people with diabetes, African-Americans who are age 50 and older and Hispanic Americans who are 65 or older.

**Other covered vision care services include:**

- Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn’t cover routine eye exams (eye refractions) for eyeglasses/contacts.

- For people with diabetes, screening for diabetic retinopathy is covered once per year.

- Medicare covers one pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. Medicare limits this coverage to eyeglasses with basic frames and lenses; any deluxe features are not covered and must be paid for by the member. (If you have two separate cataract operations, you cannot reserve the benefit after the first surgery and purchase two eyeglasses after the second surgery.)

- Routine eye exams (including a refraction) are covered by Geisinger Gold and are limited to one exam per calendar year.

*Geisinger Gold will pay towards the purchase of routine (non-Medicare-covered) prescription glasses (lenses and/or frames) or contact lenses each calendar year. Items such as warranties, cleaning kits and dispensing fees are not covered. Eyewear may be purchased in-network or out-of-network.

*The Non-Medicare-covered eyewear listed in this section does not count toward the plan out-of-pocket maximum.

### Copayment

- **$0 Copayment** for in-network Medicare-covered preventive glaucoma screening for people who are at high risk. If the preventive glaucoma screening is given with an eye exam, the eye exam copay will apply for the visit.

- **$0 Copayment - $20 Copayment** for Vision care.

- **$0 Copayment** for in-network Medicare-covered Diabetic Eye Exam.

- **$20 Copayment** for in-network Medicare-covered eye exams to diagnose and treat diseases and conditions of the eye.

- **$0 Copayment** for one pair of Medicare-covered eyeglasses or contact lenses after cataract surgery.

- **$20 Copayment** for one in-network routine eye exam each year.

- **$0 Copayment for routine prescription contacts or eyeglasses, covered up to the *$200 benefit limit each calendar year for routine eyeglasses (lenses and/or frames) or contact lenses.**

<td>Worldwide ground or air ambulance cost sharing is <strong>not waived</strong> if you are admitted to the hospital.</td>
</tr>
</tbody>
</table>

If an urgent need for medical services occurs while you are traveling outside the United States, your Geisinger Gold Worldwide Emergency/Urgent Coverage benefit will cover urgently needed services you receive outside of the United States and its territories. Coverage is limited to services that would be classified as urgently needed services had you received them inside the United States. Our plan does not cover non-emergency/non-urgent services if you receive the care outside of the United States.

Because the coverage provided by the Geisinger Gold Worldwide Emergency/Urgent Coverage benefit is limited to emergency or urgently needed services outside the United States, you may want to consider buying a travel insurance policy to get more coverage. A travel agent can give you more information about buying travel insurance. Not all travel insurance includes health care coverage, so it is important to understand what the travel insurance policy covers and any restrictions before purchasing.

**Geisinger Gold does not cover non-emergency/non-urgent services you receive outside of the United States and its territories.**

Please contact Member Services for more details.

### SECTION 3 What services are not covered by the plan?

#### Section 3.1 Services we do not cover (exclusions)

This section tells you what services are “excluded” from Medicare coverage and therefore, are not covered by this plan.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you receive the excluded services at an emergency
facility, the excluded services are still not covered and our plan will not pay for them. The only exception is if the service is appealed and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 7, Section 5.3 in this document.)

</table>
CHAPTER 5:
Asking us to pay our share of a bill you have received for covered medical services
SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services

Sometimes when you get medical care, you may need to pay the full cost. Other times, you may find that you have paid more than you expected under the coverage rules of the plan, or you may receive a bill from a provider. In these cases, you can ask our plan to pay you back (paying you back is often called “reimbursing” you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services that are covered by our plan. There may be deadlines that you must meet to get paid back. Please see Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you have received or possibly for more than your share of cost sharing as discussed in this document. First try to resolve the bill with the provider. If that does not work, send the bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. If we decide not to pay it, we will notify the provider. You should never pay more than plan-allowed cost-sharing. If this provider is contracted, you still have the right to treatment.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you’ve received emergency or urgently needed medical care from a provider who is not in our plan’s network

   You can receive emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases, you are only responsible for paying your share of the cost. Ask the provider to bill the plan for our share of the cost.

   - If you pay the entire amount yourself at the time you receive the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
   - You may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
     - If the provider is owed anything, we will pay the provider directly.
     - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill you think you should not pay

   Network providers should always bill the plan directly and ask you only for your share of the cost. But sometimes they make mistakes and ask you to pay more than your share.

   - You only have to pay your cost-sharing amount when you get covered services. We do not allow providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we
pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.

- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.

- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. **If you are retroactively enrolled in our plan**

Sometimes a person’s enrollment in the plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork such as receipts and bills for us to handle the reimbursement.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 7 of this document has information about how to make an appeal.

**SECTION 2  How to ask us to pay you back or to pay a bill you have received**

You may request us to pay you back by either calling us or sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It’s a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within three (3) years** of the date you received the service or item.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don’t have to use the form, but it will help us process the information faster. You must include an itemized bill of services, the provider’s information, name address, and proof of payment.

- Either download a copy of the form from our website (www.GeisingerGold.com) or call Member Services and ask for the form.

Mail your request for payment together with any bills or paid receipts to us at this address:

**Medical Care Reimbursement Requests:**
SECTION 3  We will consider your request for payment and say yes or no

Section 3.1  We check to see whether we should cover the service and how much we owe

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care is covered and you followed all the rules, we will pay for our share of the cost. If you have already paid for the service, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service yet, we will mail the payment directly to the provider.

- If we decide that the medical care is not covered, or you did not follow all the rules, we will not pay for our share of the cost. We will send you a letter explaining the reasons why we are not sending the payment and your rights to appeal that decision.

Section 3.2  If we tell you that we will not pay for all or part of the medical care, you can make an appeal

If you think we have made a mistake in turning down your request for payment or the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 7 of this document.
SECTION 1  

Our plan must honor your rights and cultural sensitivities as a member of the plan

Section 1.1  

We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, in braille, in audio, in large print, or other alternate formats, etc.)

Your plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how a plan may meet these accessibility requirements include, but are not limited to provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you information in braille, in audio, in large print, or other alternate formats at no cost if you need it. We are required to give you information about the plan’s benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Member Services.

Our plan is required to give female enrollees the option of direct access to a women’s health specialist within the network for women’s routine and preventive health care services.

If providers in the plan’s network for a specialty are not available, it is the plan’s responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you will only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in the plan’s network that cover a service you need, call the plan for information on where to go to obtain this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, please call to file a grievance with Member Services. You may also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Section 1.2  

We must treat you with fairness and respect at all times

Our plan must obey laws that protect you from discrimination or unfair treatment. We do not discriminate based on a person’s race, ethnicity, national origin, religion, gender, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area.
If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services’ Office for Civil Rights at 1-800-368-1019 or (TTY 1-800-537-7697) or your local Office for Civil Rights.

If you have a disability and need help with access to care, please call Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

---

**Section 1.3  We must ensure that you get timely access to providers for your covered services**

You have the right to choose a primary care provider (PCP) in the plan’s network to provide and arrange for your covered services. We do not require you to get referrals to go to network providers.

You have the right to get appointments and covered services from the plan’s network of providers within a reasonable amount of time. This includes the right to get timely services from specialists when you need that care.

If you think that you are not getting your medical care within a reasonable amount of time, Chapter 7 tells what you can do.

---

**Section 1.4  We must protect the privacy of your personal health information**

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your “personal health information” includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.

- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a “Notice of Privacy Practice,” that tells about these rights and explains how we protect the privacy of your health information.

**How do we protect the privacy of your health information?**

- We make sure that unauthorized people don’t see or change your records.

- Except for the circumstances noted below, if we intend to give your health information to anyone who isn’t providing your care or paying for your care, we are required to get written permission from you or someone you have given legal power to make decisions for you first.
There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.

- We are required to release health information to government agencies that are checking on quality of care.
- Because you are a member of our plan through Medicare, we are required to give Medicare your health information. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held at the plan, and to get a copy of your records. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your healthcare provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Member Services.

Section 1.5 We must give you information about the plan, its network of providers, and your covered services

As a member of Geisinger Gold Heritage (HMO), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, please call Member Services:

- **Information about our plan.** This includes, for example, information about the plan’s financial condition.
- **Information about our network providers.** You have the right to get information about the qualifications of the providers in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services.
- **Information about why something is not covered and what you can do about it.** Chapter 7 provides information on asking for a written explanation on why a medical
service is not covered or if your coverage is restricted. Chapter 7 also provides information on asking us to change a decision, also called an appeal.

### Section 1.6

| We must support your right to make decisions about your care, regardless of cost or whether covered by your plan, as well as your right to use advance directives and/or name an authorized representative to help with your decisions |

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** You have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. Of course, if you refuse treatment, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, *if you want to*, you can:

- Fill out a written form to give someone the legal authority to make medical decisions for you if you ever become unable to make decisions for yourself.
- Give your doctors written instructions about how you want them to handle your medical care if you become unable to make decisions for yourself.
The legal documents that you can use to give your directions in advance in these situations are called “advance directives.” There are different types of advance directives and different names for them. Documents called “living will” and “power of attorney for health care” are examples of advance directives.

If you want to use an “advance directive” to give your instructions, here is what to do:

- **Get the form.** You can get an advance directive form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.

- **Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.

- **Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can’t. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

**Remember, it is your choice whether you want to fill out an advance directive** (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

**What if your instructions are not followed?**

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Pennsylvania Insurance Department, Bureau of Consumer Services, 1209 Strawberry Square, Harrisburg, PA 17120.

**Section 1.7 You have the right to make complaints and to ask us to reconsider decisions we have made**

If you have any problems, concerns, or complaints and need to request coverage, or make an appeal, Chapter 7 of this document tells what you can do. Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we are required to treat you fairly.**
**Section 1.8 What can you do if you believe you are being treated unfairly or your rights are not being respected?**

If it is about discrimination, call the Office for Civil Rights

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, sexual orientation, or national origin, you should call the Department of Health and Human Services’ Office for Civil Rights at 1-800-368-1019 or TTY 1-800-537-7697 or call your local Office for Civil Rights.

**Is it about something else?**

If you believe you have been treated unfairly or your rights have not been respected, *and it’s not* about discrimination, you can get help dealing with the problem you are having:

- You can call Member Services.
- You can call the SHIP. For details, go to Chapter 2, Section 3.
- Or you can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

**Section 1.9 How to get more information about your rights or make recommendations regarding Geisinger Gold’s Rights and Responsibilities Policy**

There are several places where you can get more information about your rights:

- You can call Member Services.
- You can call the SHIP. For details, go to Chapter 2, Section 3.
- You can contact Medicare.
  - You can visit the Medicare website to read or download the publication “Medicare Rights & Protections.” (The publication is available at: www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf);
  - Or you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

**SECTION 2 You have some responsibilities as a member of the plan**

Things you need to do as a member of the plan are listed below. If you have any questions, please call Member Services.
• **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this Evidence of Coverage document to learn what is covered for you and the rules you need to follow to get your covered services.
  - Chapters 3 and 4 give the details about your medical services.

• **If you have any other health insurance coverage in addition to our plan, or separate prescription drug coverage, you are required to tell us.** Chapter 1 tells you about coordinating these benefits.

• **Tell your doctor and other health care providers that you are enrolled in our plan.** Show your plan membership card whenever you get your medical care.

• **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
  - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions that you and your doctors agree upon.
  - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
  - If you have any questions, be sure to ask and get an answer you can understand.

• **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor’s office, hospitals, and other offices.

• **Pay what you owe.** As a plan member, you are responsible for these payments:
  - You must continue to pay your premium for your Medicare Part B to remain a member of the plan.
  - For some of your medical services covered by the plan, you must pay your share of the cost when you get the service.

• **If you move within our service area, we need to know** so we can keep your membership record up to date and know how to contact you.
  - **If you move outside of our plan service area, you cannot remain a member of our plan.**
  - If you move, it is also important to tell Social Security (or the Railroad Retirement Board).
CHAPTER 7:

What to do if you have a problem or complaint (coverage decisions, appeals, complaints)
SECTION 1  Introduction

Section 1.1  What to do if you have a problem or concern

This chapter explains two types of processes for handling problems and concerns:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints**; also called grievances.

Both of these processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The guide in Section 3 will help you identify the right process to use and what you should do.

Section 1.2  What about the legal terms?

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand. To make things easier, this chapter:

- Uses simpler words in place of certain legal terms. For example, this chapter generally says, “making a complaint” rather than “filing a grievance,” “coverage decision” rather than “organization determination,” and “independent review organization” instead of “Independent Review Entity.”
- It also uses abbreviations as little as possible.

However, it can be helpful – and sometimes quite important – for you to know the correct legal terms. Knowing which terms to use will help you communicate more accurately to get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

SECTION 2  Where to get more information and personalized assistance

We are always available to help you. Even if you have a complaint about our treatment of you, we are obligated to honor your right to complain. Therefore, you should always reach out to customer service for help. But in some situations, you may also want help or guidance from someone who is not connected with us. **Below are two entities that can assist you.**
State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers and website URLs in Chapter 2, Section 3 of this document.

Medicare

You can also contact Medicare to get help. To contact Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can also visit the Medicare website (www.medicare.gov).

SECTION 3 To deal with your problem, which process should you use?

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

Is your problem or concern about your benefits or coverage?

(This includes problems about whether medical care or prescription drugs are covered or not, the way they are covered, and problems related to payment for medical care or prescription drugs.)

Yes.

Go on to the next section of this chapter, Section 4, “A guide to the basics of coverage decisions and appeals.”

No.

Skip ahead to Section 9 at the end of this chapter: “How to make a complaint about quality of care, waiting times, customer service or other concerns.”
Coverage decisions and appeals deal with problems related to your benefits and coverage for medical services, including payment. This is the process you use for issues such as whether something is covered or not and the way in which something is covered.

**Asking for coverage decisions prior to receiving services**

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services. For example, your plan network doctor makes a (favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you. In limited circumstances a request for a coverage decision will be dismissed, which means we won’t review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf, but isn’t legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases, we might decide a service is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

**Making an appeal**

If we make a coverage decision, whether before or after a service is received, and you are not satisfied, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made. Under certain circumstances, which we discuss later, you can request an expedited or “fast appeal” of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.
When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we were properly following the rules. When we have completed the review, we give you our decision.

In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won’t review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf, but isn’t legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we do not dismiss your case but say no to all or part of your Level 1 appeal, you can go on to a Level 2 appeal. The Level 2 appeal is conducted by an independent review organization that is not connected to us. (Appeals for medical services and Part B drugs will be automatically sent to the independent review organization for a Level 2 appeal – you do not need to do anything. If you are not satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (Section 8 in this chapter explains the Level 3, 4, and 5 appeals processes).

### Section 4.2 How to get help when you are asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- You can call us at Member Services.
- You can get free help from your SHIP.
- Your doctor can make a request for you. If your doctor helps with an appeal past Level 2, they will need to be appointed as your representative. Please call Member Services and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at [www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf) or on our website at [www.GeisingerGold.com](http://www.GeisingerGold.com).)
  - For medical care or Part B prescription drugs, your doctor can request a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.
- You can ask someone to act on your behalf. If you want to, you can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
  - If you want a friend, relative, or another person to be your representative, call Member Services and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at [www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf) or on our website at [www.GeisingerGold.com](http://www.GeisingerGold.com).)
www.GeisingerGold.com.) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.

- While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.

- You also have the right to hire a lawyer. You may contact your own lawyer or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, you are not required to hire a lawyer to ask for any kind of coverage decision or appeal a decision.

### Section 4.3 Which section of this chapter gives the details for your situation?

There are three different situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** of this chapter: “Your medical care: How to ask for a coverage decision or make an appeal”
- **Section 6** of this chapter: “How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon”
- **Section 7** of this chapter: “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” *(Applies to only these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)*

If you’re not sure which section you should be using, please call Member Services. You can also get help or information from government organizations such as your SHIP.
SECTION 5  Your medical care: How to ask for a coverage decision or make an appeal of a coverage decision

Section 5.1  This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care.

This section is about your benefits for medical care and services. These benefits are described in Chapter 4 of this document: Medical Benefits Chart (what is covered and what you pay). To keep things simple, we generally refer to “medical care coverage” or “medical care” which includes medical items and services as well as Medicare Part B prescription drugs. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan. **Ask for a coverage decision. Section 5.2.**

2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan. **Ask for a coverage decision. Section 5.2.**

3. You have received medical care that you believe should be covered by the plan, but we have said we will not pay for this care. **Make an Appeal. Section 5.3.**

4. You have received and paid for medical care that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**

5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an Appeal. Section 5.3.**

**Note:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF)
services, you need to read Sections 6 and 7 of this Chapter. Special rules apply to these types of care.

### Section 5.2 Step-by-step: How to ask for a coverage decision

#### Legal Terms

<table>
<thead>
<tr>
<th>When a coverage decision involves your medical care, it is called an “organization determination.”</th>
</tr>
</thead>
<tbody>
<tr>
<td>A “fast coverage decision” is called an “expedited determination.”</td>
</tr>
</tbody>
</table>

---

#### Step 1: Decide if you need a “standard coverage decision” or a “fast coverage decision.”

A “standard coverage decision” is usually made within 14 days or 72 hours for Part B drugs. A “fast coverage decision” is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. In order to get a fast coverage decision, you must meet two requirements:

- You may only ask for coverage for medical care you have not yet received.
- You can get a fast coverage decision only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- If your doctor tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.
- If you ask for a fast coverage decision on your own, without your doctor’s support, we will decide whether your health requires that we give you a fast coverage decision. If we do not approve a fast coverage decision, we will send you a letter that:
  - Explains that we will use the standard deadlines.
  - Explains if your doctor asks for the fast coverage decision, we will automatically give you a fast coverage decision.
  - Explains that you can file a “fast complaint” about our decision to give you a standard coverage decision instead of the fast coverage decision you requested.

#### Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.
Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions, we use the standard deadlines.

This means we will give you an answer within 14 calendar days after we receive your request for a medical item or service. If your request is for a Medicare Part B prescription drug, we will give you an answer within 72 hours after we receive your request.

- However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more days if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

- If you believe we should not take extra days, you can file a “fast complaint”. We will give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. See Section 9 of this chapter for information on complaints.)

For Fast Coverage decisions, we use an expedited timeframe

A fast coverage decision means we will answer within 72 hours if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer within 24 hours.

- However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more days. If we take extra days, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

- If you believe we should not take extra days, you can file a “fast complaint”. (See Section 9 of this chapter for information on complaints.) We will call you as soon as we make the decision.

- If our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.
Section 5.3  Step-by-step: How to make a Level 1 appeal

<table>
<thead>
<tr>
<th>Legal Terms</th>
</tr>
</thead>
<tbody>
<tr>
<td>An appeal to the plan about a medical care coverage decision is called a plan “reconsideration.”</td>
</tr>
<tr>
<td>A “fast appeal” is also called an “expedited reconsideration.”</td>
</tr>
</tbody>
</table>

**Step 1: Decide if you need a “standard appeal” or a “fast appeal.”**

A “standard appeal” is usually made within 30 days. A “fast appeal” is generally made within 72 hours.

- If you are appealing a decision we made about coverage for care that you have not yet received, you and/or your doctor will need to decide if you need a “fast appeal.” If your doctor tells us that your health requires a “fast appeal,” we will give you a fast appeal.
- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section 5.2 of this chapter.

**Step 2: Ask our plan for an Appeal or a Fast Appeal**

- If you are asking for a standard appeal, submit your standard appeal in writing. Chapter 2 has contact information.
- If you are asking for a fast appeal, make your appeal in writing or call us. Chapter 2 has contact information.
- **You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.

**Step 3: We consider your appeal and we give you our answer.**

- When our plan is reviewing your appeal, we take a careful look at all of the information. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if needed, possibly contacting you or your doctor.
Deadlines for a “fast appeal”

1. For fast appeals, we must give you our answer within 72 hours after we receive your appeal. We will give you our answer sooner if your health requires us to.
   a. However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can’t take extra time if your request is for a Medicare Part B prescription drug.
   b. If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeal process.

2. If our answer is yes to part or all of what you requested, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.

3. If our answer is no to part or all of what you requested, we will send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it receives your appeal.

Deadlines for a “standard appeal”

- For standard appeals, we must give you our answer within 30 calendar days after we receive your appeal. If your request is for a Medicare Part B prescription drug you have not yet received, we will give you our answer within 7 calendar days after we receive your appeal. We will give you our decision sooner if your health condition requires us to.

- However, if you ask for more time, or if we need more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

- If you believe we should not take extra days, you can file a “fast complaint.” When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (See Section 9 of this chapter for information on complaints.)

- If we do not give you an answer by the deadline (or by the end of the extended time period), we will send your request to a Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.

- If our answer is yes to part or all of what you requested, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or within 7 calendar days if your request is for a Medicare Part B prescription drug.

- If our plan says no to part or all of your appeal, we will automatically send your appeal to the independent review organization for a Level 2 appeal.
Section 5.4  Step-by-step: How a Level 2 appeal is done

<table>
<thead>
<tr>
<th>Legal Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>The formal name for the “independent review organization” is the “Independent Review Entity.” It is sometimes called the “IRE.”</td>
</tr>
</tbody>
</table>

The **independent review organization** is an independent organization hired by Medicare. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

**Step 1: The independent review organization reviews your appeal.**

- We will send the information about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

*If you had a “fast appeal” at Level 1, you will also have a “fast appeal” at Level 2*

- For the “fast appeal” the review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

*If you had a “standard appeal” at Level 1, you will also have a “standard appeal” at Level 2*

- For the “standard appeal” if your request is for a medical item or service, the review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it receives your appeal.
  - However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
Step 2: The independent review organization gives you their answer.

The independent review organization will tell you it’s decision in writing and explain the reasons for it.

- If the review organization says yes to part or all of a request for a medical item or service, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization for standard requests. For expedited requests, we have 72 hours from the date we receive the decision from the review organization.

- If the review organization says yes to part or all of a request for a Medicare Part B prescription drug, we must authorize or provide the Part B prescription drug within 72 hours after we receive the decision from the review organization for standard requests. For expedited requests, we have 24 hours from the date we receive the decision from the review organization.

- If this organization says no to part or all of your appeal, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called “upholding the decision” or “turning down your appeal”). In this case, the independent review organization will send you a letter:
  - Explaining its decision.
  - Notifying you of the right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
  - Telling you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal.

- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter explains the Level 3, 4, and 5 appeals processes.

| Section 5.5 | What if you are asking us to pay you for our share of a bill you have received for medical care? |

Chapter 5 describes when you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.
Chapter 7 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you are asking for a coverage decision. To make this decision, we will check to see if the medical care you paid for is a covered service. We will also check to see if you followed all the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed all the rules, we will send you the payment for our share of the cost within 60 calendar days after we receive your request. If you haven’t paid for the services, we will send the payment directly to the provider.

- **If we say no to your request:** If the medical care is *not* covered, or you did *not* follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why.

If you do not agree with our decision to turn you down, you can make an appeal. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. For appeals concerning reimbursement, please note:

- We must give you our answer within 60 calendar days after we receive your appeal. (If you are asking us to pay you back for medical care you have already received and paid for, you are not allowed to ask for a fast appeal.)

- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6 How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will help arrange for care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
• When your discharge date is decided, your doctor or the hospital staff will tell you.
• If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 6.1 During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights

Within two days of being admitted to the hospital, you will be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you do not get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, please call Member Services or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

1. Read this notice carefully and ask questions if you don’t understand it. It tells you about:
   • Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
   • Your right to be involved in any decisions about your hospital stay.
   • Where to report any concerns you have about quality of your hospital care.
   • Your right to request an immediate review of the decision to discharge you if you think you are being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time.

2. You will be asked to sign the written notice to show that you received it and understand your rights.
   • You or someone who is acting on your behalf will be asked to sign the notice.
   • Signing the notice shows only that you have received the information about your rights. The notice does not give your discharge date. Signing the notice does not mean you are agreeing on a discharge date.

3. Keep your copy of the notice handy so you will have the information about making an appeal (or reporting a concern about quality of care) if you need it.
   • If you sign the notice more than two days before your discharge date, you will get another copy before you are scheduled to be discharged.
   • To look at a copy of this notice in advance, you can call Member Services or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see the notice online at
If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are:

- Follow the process.
- Meet the deadlines.
- Ask for help if you need it. If you have questions or need help at any time, please call Member Services. Or call your SHIP, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

- The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts are not part of our plan.

**Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.**

**How can you contact this organization?**

- The written notice you received (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

**Act quickly:**

- To make your appeal, you must contact the Quality Improvement Organization **before** you leave the hospital and **no later than midnight the day of your discharge.**

- **If you meet this deadline,** you may stay in the hospital **after** your discharge date **without paying for it** while you wait to get the decision from the Quality Improvement Organization.

- **If you do not meet this deadline,** and you decide to stay in the hospital after your planned discharge date, **you may have to pay all of the costs** for hospital care you receive after your planned discharge date.
Chapter 7 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If you miss the deadline for contacting the Quality Improvement Organization, and you still wish to appeal, you must make an appeal directly to our plan instead. For details about this other way to make your appeal, see Section 6.4.

- Once you request an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we are contacted, we will give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

- You can get a sample of the **Detailed Notice of Discharge** by calling Member Services or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or you can see a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeappealNotices.

**Step 2: The Quality Improvement Organization conducts an independent review of your case.**

- Health professionals at the Quality Improvement Organization (“the reviewers”) will ask you (or your representative) why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.

- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.

- By noon of the day after the reviewers told us of your appeal, you will get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

**Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.**

**What happens if the answer is yes?**

- If the review organization says yes, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**

- You will have to keep paying your share of the costs (such as deductibles or copayments if these apply). In addition, there may be limitations on your covered hospital services.
**What happens if the answer is no?**

- If the review organization says *no*, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

- If the review organization says *no* to your appeal and you decide to stay in the hospital, then you may have to pay the full cost of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

**Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal**

- If the Quality Improvement Organization has said no to your appeal, *and* you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to “Level 2” of the appeals process.

### Section 6.3 Step-by-step: How to make a Level 2 appeal to change your hospital discharge date

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at their decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

**Step 1: Contact the Quality Improvement Organization again and ask for another review**

- You must ask for this review *within 60 calendar days* after the day the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date that your coverage for the care ended.

**Step 2: The Quality Improvement Organization does a second review of your situation**

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you their decision.

If the review organization says yes:

- We must reimburse you for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.

If the review organization says no:

- It means they agree with the decision they made on your Level 1 appeal. This is called “upholding the decision.”
- The notice you get will tell you in writing what you can do if you wish to continue with the review process.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

<table>

<tr>
<th>Section 6.4</th>
<th>What if you miss the deadline for making your Level 1 appeal?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Legal Term</td>
<td>A “fast review” (or “fast appeal”) is also called an <strong>expedited appeal.”</strong></td>
</tr>
</tbody>
</table>

You can appeal to us instead

As explained above, you must act quickly to start your Level 1 appeal of your hospital discharge. If you miss the deadline for contacting the Quality Improvement Organization, there is another way to make your appeal.

If you use this other way of making your appeal, **the first two levels of appeal are different.**
Step-by-Step: How to make a Level 1 Alternate appeal

Step 1: Contact us and ask for a “fast review.”

- Ask for a “fast review.” This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines. Chapter 2 has contact information.

Step 2: We do a “fast review” of your planned discharge date, checking to see if it was medically appropriate.

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We see if the decision about when you should leave the hospital was fair and followed all the rules.

Step 3: We give you our decision within 72 hours after you ask for a “fast review”.

- If we say yes to your appeal, it means we have agreed with you that you still need to be in the hospital after the discharge date. We will keep providing your covered inpatient hospital services for as long as they are medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)

- If we say no to your appeal, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.

  - If you stayed in the hospital after your planned discharge date, then you may have to pay the full cost of hospital care you received after the planned discharge date.

Step 4: If we say no to your fast appeal, your case will automatically be sent on to the next level of the appeals process.

Step-by-Step: Level 2 Alternate appeal Process

<table>
<thead>
<tr>
<th>Legal Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>The formal name for the “independent review organization” is the “Independent Review Entity.” It is sometimes called the “IRE.”</td>
</tr>
</tbody>
</table>

The independent review organization is an independent organization hired by Medicare. It is not connected with our plan and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.
Step 1: We will automatically forward your case to the independent review organization.

- We are required to send the information for your Level 2 appeal to the independent review organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 9 of this chapter tells how to make a complaint.)

Step 2: The independent review organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.

- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal of your hospital discharge.

- **If this organization says yes to your appeal,** then we must (pay you back) for our share of the costs of hospital care you received since the date of your planned discharge. We must also continue the plan’s coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.

- **If this organization says no to your appeal,** it means they agree that your planned hospital discharge date was medically appropriate.
  - The written notice you get from the independent review organization will tell how to start a Level 3 appeal with the review process, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 3: If the independent review organization turns down your appeal, you choose whether you want to take your appeal further

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say no to your Level 2 appeal, you decide whether to accept their decision or go on to Level 3 appeal.

- Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.
SECTION 7  How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 7.1  
This section is only about three services: Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services

When you are getting home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility), you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, we will stop paying our share of the cost for your care.

If you think we are ending the coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Section 7.2  We will tell you in advance when your coverage will be ending

Legal Term

“Notice of Medicare Non-Coverage.” It tells you how you can request a “fast-track appeal.” Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care.

1. You receive a notice in writing at least two days before our plan is going to stop covering your care. The notice tells you:
   - The date when we will stop covering the care for you.
   - How to request a “fast track appeal” to request us to keep covering your care for a longer period of time.

2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you received it. Signing the notice shows only that you have received the
information about when your coverage will stop. **Signing it does not mean you agree** with the plan’s decision to stop care.

### Section 7.3  Step-by-step: How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services. Or call your SHIP, a government organization that provides personalized assistance.

**During a Level 1 appeal, the Quality Improvement Organization reviews your appeal.** It decides if the end date for your care is medically appropriate.

- The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it’s time to stop covering certain kinds of medical care. These experts are not part of our plan.

**Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a fast-track appeal. You must act quickly.**

#### How can you contact this organization?

- The written notice you received (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

**Act quickly:**

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the Notice of Medicare Non-Coverage.

**Your deadline for contacting this organization.**

- If you miss the deadline for contacting the Quality Improvement Organization, and you still wish to file an appeal, you must make an appeal directly to us instead. For details about this other way to make your appeal, see Section 7.5.
Step 2: The Quality Improvement Organization conducts an independent review of your case.

<table>
<thead>
<tr>
<th>Legal Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>“Detailed Explanation of Non-Coverage.” Notice that provides details on reasons for ending coverage.</td>
</tr>
</tbody>
</table>

What happens during this review?

- Health professionals at the Quality Improvement Organization (“the reviewers”) will ask you, or your representative, why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.
- By the end of the day the reviewers tell us of your appeal, you will get the Detailed Explanation of Non-Coverage, from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need, the reviewers will tell you their decision.

What happens if the reviewers say yes?

- If the reviewers say yes to your appeal, then we must keep providing your covered services for as long as it is medically necessary.
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say no, then your coverage will end on the date we have told you.
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after this date when your coverage ends, then you will have to pay the full cost of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say no to your Level 1 appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.
Section 7.4  Step-by-step: How to make a Level 2 appeal to have our plan cover your care for a longer time

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review within 60 days after the day when the Quality Improvement Organization said no to your Level 1 appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.

What happens if the review organization says yes?

- We must reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. We must continue providing coverage for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.
Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, (for a total of five levels of appeal). If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 7.5 What if you miss the deadline for making your Level 1 appeal?

You can appeal to us instead

As explained above, you must act quickly to start your Level 1 appeal (within a day or two, at the most). If you miss the deadline for contacting the Quality Improvement Organization, there is another way to make your appeal. If you use this other way of making your appeal, the first two levels of appeal are different.

Step-by-Step: How to make a Level 1 Alternate appeal

<table>
<thead>
<tr>
<th>Legal Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>A “fast review” (or “fast appeal”) is also called an “expedited appeal.”</td>
</tr>
</tbody>
</table>

Step 1: Contact us and ask for a “fast review.”

- Ask for a “fast review.” This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines. Chapter 2 has contact information.

Step 2: We do a “fast review” of the decision we made about when to end coverage for your services.

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending the plan’s coverage for services you were receiving.

Step 3: We give you our decision within 72 hours after you ask for a “fast review”.

- If we say yes to your appeal, it means we have agreed with you that you need services longer and will keep providing your covered services for as long as they are medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage
would end. (You must pay your share of the costs and there may be coverage limitations that apply.)

- **If we say no to your appeal,** then your coverage will end on the date we told you and we will not pay any share of the costs after this date.

- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end, then **you will have to pay the full cost** of this care.

**Step 4:** If we say no to your appeal, your case will automatically go on to the next level of the appeals process.

<table>
<thead>
<tr>
<th>Legal Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>The formal name for the “independent review organization” is the <strong>Independent Review Entity.</strong> It is sometimes called the “IRE.”</td>
</tr>
</tbody>
</table>

**Step-by-Step: Level 2 Alternate appeal Process**

During the Level 2 appeal, an **independent review organization** reviews the decision we made to your “fast appeal.” This organization decides whether the decision should be changed. **The independent review organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the independent review organization. Medicare oversees its work.

**Step 1:** We automatically forward your case to the independent review organization.

- We are required to send the information for your Level 2 appeal to the independent review organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 9 of this chapter tells how to make a complaint.)

**Step 2:** The independent review organization does a “fast review” of your appeal. **The reviewers give you an answer within 72 hours.**

- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

- **If this organization says yes to your appeal,** then we must pay you back for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary. You must continue to pay your share of the costs. If there are
coverage limitations, these could limit how much we would reimburse or how long we would continue to cover services.

- If this organization says no to your appeal, it means they agree with the decision our plan made to your first appeal and will not change it.
- The notice you get from the independent review organization will tell you in writing what you can do if you wish to go on to a Level 3 appeal.

**Step 3:** If the independent review organization says no to your appeal, you choose whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- A Level 3 appeal is reviewed by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

## SECTION 8  Taking your appeal to Level 3 and beyond

### Section 8.1  Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

<table>
<thead>
<tr>
<th>Level 3 appeal</th>
<th>An Administrative Law Judge or an attorney adjudicator who works for the Federal government will review your appeal and give you an answer.</th>
</tr>
</thead>
</table>

- If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over. Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that is favorable to you. If we decide to appeal, it will go to a Level 4 appeal.
• If we decide not to appeal, we must authorize or provide you with the service within 60 calendar days after receiving the Administrative Law Judge’s or attorney adjudicator’s decision.

• If we decide to appeal the decision, we will send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the service in dispute.

• If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.
  • If you decide to accept this decision that turns down your appeal, the appeals process is over.
  • If you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal  The Medicare Appeals Council (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

• If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process may or may not be over. Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We will decide whether to appeal this decision to Level 5.
  • If we decide not to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Council’s decision.
  • If we decide to appeal the decision, we will let you know in writing.

• If the answer is no or if the Council denies the review request, the appeals process may or may not be over.
  • If you decide to accept this decision that turns down your appeal, the appeals process is over.
  • If you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal  A judge at the Federal District Court will review your appeal.

• A judge will review all of the information and decide yes or no to your request. This is a final answer. There are no more appeal levels after the Federal District Court.
MAKING COMPLAINTS

SECTION 9 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 9.1 What kinds of problems are handled by the complaint process?

The complaint process is only used for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service. Here are examples of the kinds of problems handled by the complaint process.

<table>
<thead>
<tr>
<th>Complaint</th>
<th>Example</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quality of your medical care</td>
<td>• Are you unhappy with the quality of the care you have received (including care in the hospital)?</td>
</tr>
<tr>
<td>Respecting your privacy</td>
<td>• Did someone not respect your right to privacy or share confidential information?</td>
</tr>
</tbody>
</table>
| Disrespect, poor customer service, or other negative behaviors | • Has someone been rude or disrespectful to you?  
• Are you unhappy with our Member Services?  
• Do you feel you are being encouraged to leave the plan? |
| Waiting times                                  | • Are you having trouble getting an appointment, or waiting too long to get it?  
• Have you been kept waiting too long by doctors or other health professionals? Or by our Member Services or other staff at the plan?  
  o Examples include waiting too long on the phone, in the waiting or exam room. |
| Cleanliness                                    | • Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor’s office?                                        |
| Information you get from us                   | • Did we fail to give you a required notice?  
• Is our written information hard to understand? |
Chapter 7 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

</tr>
<tr>
<td></td>
<td>• You believe we are not meeting the deadlines for coverage decisions or appeals; you can make a complaint.</td>
</tr>
<tr>
<td></td>
<td>• You believe we are not meeting deadlines for covering or reimbursing you for certain medical services that were approved; you can make a complaint.</td>
</tr>
<tr>
<td></td>
<td>• You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.</td>
</tr>
</tbody>
</table>

Section 9.2 How to make a complaint

Legal Terms

- A “Complaint” is also called a “grievance.”
- “Making a complaint” is also called “filing a grievance.”
- “Using the process for complaints” is also called “using the process for filing a grievance.”
- A “fast complaint” is also called an “expedited grievance.”

Section 9.3 Step-by-step: Making a complaint

Step 1: Contact us promptly – either by phone or in writing.

- Usually, calling Member Services is the first step. If there is anything else you need to do, Member Services will let you know.
- If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us. If you put your complaint in writing, we will respond to your complaint in writing.
- Complaint (Grievance) Review Procedure:
Chapter 7 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If Member Services is unable to respond to your complaint on the telephone or if we receive your complaint in writing, the Geisinger Gold Member Resolution Team will respond to your complaint as quickly as your case requires based on your health status, but no later than 30 days after receiving your complaint. We may extend the time frame by up to 14 days if you ask for an extension, or if we justify a need for additional information and the delay is in your best interest. When we extend the deadline, we will notify you in writing of the reasons for the delay. Each complaint will be investigated and an oral or written response will be provided to you that will include the basis for the decision.

- You also have the right to ask Geisinger Gold for a copy of your file that contains the information regarding your complaint. For a copy of your file, you can call us toll free at 1-866-577-7733, press option “0”, or send a written request to the Geisinger Gold Member Resolution Team, 100 North Academy Avenue, Danville, PA 17822-3220.

- Expedited (Fast) Grievances
  - As a Geisinger Gold member, you have the right to file an expedited (fast) grievance for services you have not yet received.
  - You may file an expedited (fast) grievance if the plan denies your request for an expedited organization determination, expedited reconsideration (appeal), expedited coverage decision or expedited redetermination (appeal).
  - You may also file an expedited (fast) grievance if you disagree with the plan’s decision to take an extension to process an expedited or standard organization determination or an expedited or standard reconsideration (appeal).

- The **deadline** for making a complaint is **60 calendar days** from the time you had the problem you want to complain about.

**Step 2: We look into your complaint and give you our answer.**

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.

- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.

- **If you are making a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we will automatically give you a “fast complaint.”** If you have a “fast complaint,” it means we will give you an **answer within 24 hours.**
• If we do not agree with some or all of your complaint or don’t take responsibility for the problem you are complaining about, we will include our reasons in our response to you.

### Section 9.4 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about quality of care, you also have two extra options:

- You can make your complaint directly to the Quality Improvement Organization. The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

  Or

- You can make your complaint to both the Quality Improvement Organization and us at the same time.

### Section 9.5 You can also tell Medicare about your complaint

You can submit a complaint about Geisinger Gold Heritage (HMO) directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. You may also call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.
CHAPTER 8:
Ending your membership in the plan
SECTION 1  Introduction to ending your membership in our plan

Ending your membership in Geisinger Gold Heritage (HMO) may be voluntary (your own choice) or involuntary (not your own choice):

- You might leave our plan because you have decided that you want to leave. Sections 2 and 3 provide information on ending your membership voluntarily.
- There are also limited situations where we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, our plan must continue to provide your medical care and you will continue to pay your cost share until your membership ends.

SECTION 2  When can you end your membership in our plan?

Section 2.1  You can end your membership during the Annual Enrollment Period

You can end your membership in our plan during the Annual Enrollment Period (also known as the “Annual Open Enrollment Period”). During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- The Annual Enrollment Period is from October 15 to December 7.
- Choose to keep your current coverage or make changes to your coverage for the upcoming year. If you decide to change to a new plan, you can choose any of the following types of plans:
  - Another Medicare health plan, with or without prescription drug coverage.
  - Original Medicare with a separate Medicare prescription drug plan.
  - Original Medicare without a separate Medicare prescription drug plan.
  
  OR
  - Your membership will end in our plan when your new plan’s coverage begins on January 1.

Section 2.2  You can end your membership during the Medicare Advantage Open Enrollment Period

You have the opportunity to make one change to your health coverage during the Medicare Advantage Open Enrollment Period.
• **The annual Medicare Advantage Open Enrollment Period** is from January 1 to March 31.

• **During the annual Medicare Advantage Open Enrollment Period**, you can:
  - Switch to another Medicare Advantage Plan with or without prescription drug coverage.
  - Disenroll from our plan and obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time.

• **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare prescription drug plan, your membership in the drug plan will begin the first day of the month after the drug plan gets your enrollment request.

**Section 2.3 In certain situations, you can end your membership during a Special Enrollment Period**

In certain situations, members of Geisinger Gold Heritage (HMO) may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

• **You may be eligible to end your membership during a Special Enrollment Period** if any of the following situations apply to you. These are just examples, for the full list you can contact the plan, call Medicare, or visit the Medicare website (www.medicare.gov):
  - Usually when you have moved.
  - If you have Pennsylvania Medical Assistance (Medicaid).
  - If we violate our contract with you.
  - If you get care in an institution, such as a nursing home or long-term care (LTC) hospital.
  - If you enroll in the Program of All-inclusive Care for the Elderly (PACE).

**The enrollment time periods vary** depending on your situation.

**To find out if you are eligible for a Special Enrollment Period**, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

If you are eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and prescription drug coverage. You can choose:
  - Another Medicare health plan with or without prescription drug coverage.
  - Original Medicare *with* a separate Medicare prescription drug plan.

OR
• Original Medicare without a separate Medicare prescription drug plan.

Your membership will usually end on the first day of the month after your request to change your plan is received.

Section 2.4 Where can you get more information about when you can end your membership?

If you have any questions about ending your membership, you can:

• Call Member Services.
• Find the information in the Medicare & You 2023 handbook.
• Contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY 1-877-486-2048).

SECTION 3 How do you end your membership in our plan?

The table below explains how you should end your membership in our plan.

<table>
<thead>
<tr>
<th>If you would like to switch from our plan to:</th>
<th>This is what you should do:</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Another Medicare health plan.</td>
<td>• Enroll in the new Medicare health plan.</td>
</tr>
<tr>
<td></td>
<td>• You will automatically be disenrolled from Geisinger Gold Heritage (HMO) when your new plan’s coverage begins.</td>
</tr>
<tr>
<td>• Original Medicare with a separate Medicare prescription drug plan.</td>
<td>• Enroll in the new Medicare prescription drug plan.</td>
</tr>
<tr>
<td></td>
<td>• You will automatically be disenrolled from Geisinger Gold Heritage (HMO) when your new plan’s coverage begins.</td>
</tr>
</tbody>
</table>
Chapter 8 Ending your membership in the plan

If you would like to switch from our plan to:

<table>
<thead>
<tr>
<th>This is what you should do:</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Original Medicare without a separate Medicare prescription drug plan.</td>
</tr>
<tr>
<td>• Send us a written request to disenroll. Contact Member Services if you need more information on how to do this.</td>
</tr>
<tr>
<td>• You can also contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.</td>
</tr>
<tr>
<td>• You will be disenrolled from Geisinger Gold Heritage (HMO) when your coverage in Original Medicare begins.</td>
</tr>
</tbody>
</table>

Note: If you also have creditable prescription drug coverage (e.g., standalone PDP) and disenroll from that coverage, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later after going without creditable prescription drug coverage for 63 days or more in a row.

SECTION 4 Until your membership ends, you must keep getting your medical services through our plan

Until your membership ends, and your new Medicare coverage begins, you must continue to get your medical care through our plan.

1. **Continue to use our network providers to receive medical care.**

2. **If you are hospitalized on the day that your membership ends, your hospital stay will be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

SECTION 5 Geisinger Gold Heritage (HMO) must end your membership in the plan in certain situations

**Section 5.1 When must we end your membership in the plan?**

Geisinger Gold Heritage (HMO) must end your membership in the plan if any of the following happen:
- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months.
  - If you move or take a long trip, call Member Services to find out if the place you
    are moving or traveling to is in our plan’s service area.
- If you become incarcerated (go to prison).
- If you are no longer a United States citizen or lawfully present in the United States.
- If you intentionally give us incorrect information when you are enrolling in our plan
  and that information affects your eligibility for our plan. (We cannot make you leave
  our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to
  provide medical care for you and other members of our plan. (We cannot make you
  leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We cannot
  make you leave our plan for this reason unless we get permission from Medicare
  first.)
  - If we end your membership because of this reason, Medicare may have
    your case investigated by the Inspector General.

**Where can you get more information?**

If you have questions or would like more information on when we can end your membership call
Member Services.

| Section 5.2 | We cannot ask you to leave our plan for any health-related reason |

Geisinger Gold Heritage (HMO) is not allowed to ask you to leave our plan for any health-related reason.

**What should you do if this happens?**

If you feel that you are being asked to leave our plan because of a health-related reason, call
Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. (TTY 1-877-486-2048).
| Section 5.3 | You have the right to make a complaint if we end your membership in our plan |

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.
CHAPTER 9: Legal notices
SECTION 1  Notice about governing law

The principal law that applies to this Evidence of Coverage document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws are not included or explained in this document.

SECTION 2  Notice about non-discrimination

We don’t discriminate based on race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services’ Office for Civil Rights at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services’ Office for Civil Rights at https://www.hhs.gov/ocr/index.

If you have a disability and need help with access to care, please call us at Member Services. If you have a complaint, such as a problem with wheelchair access, Member Services can help.

SECTION 3  Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Geisinger Gold Heritage (HMO), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.
SECTION 4  Member non-liability

In the event Geisinger Gold fails to appropriately reimburse a provider for covered services, or in the event that we fail to pay a provider or facility for covered services that have received prior authorization, you shall not be liable for any sums owed by Geisinger Gold.

If you receive services that require prior authorization and your provider has not first obtained prior authorization, except for emergency care/services, urgently needed care, or out-of-area renal dialysis services, neither Geisinger Gold nor Medicare will pay for those services. In addition, if you enter into a private contract with a provider or facility, neither Geisinger Gold nor Medicare will pay for those services.

SECTION 5  Notices

Any notice that we give you will be in writing and delivered either personally, by U.S. Postal Service, or by other delivery service carriers to your last address known to Geisinger Gold.

SECTION 6  Additional notice of subrogation and third-party recovery

Subrogation

If we make any payment to you or on your behalf for covered services, we are entitled to be fully subrogated to any and all rights you have against any person, entity, or insurer that may be responsible for payment of medical expenses and/or benefits related to your injury, illness, or condition. We are entitled to exercise the same rights of subrogation and recovery that are accorded to the Medicare Program under the Medicare Secondary Payer rules.

Once we have made a payment for covered services, we shall have a lien on the proceeds of any judgment, settlement, or other award or recovery you receive, including but not limited to the following:

1. Any award, settlement, benefits, or other amounts paid under any workers’ compensation law or award;
2. Any and all payments made directly by or on behalf of a third-party tortfeasor or person, entity, or insurer responsible for indemnifying the third-party tortfeasor;
3. Any arbitration awards, payments, settlements, structured settlements, or other benefits or amounts paid under an uninsured or underinsured motorist coverage policy;
4. Any claims payable under any federal, state, or common law, or
5. Any other payments designated, earmarked, or otherwise intended to be paid to you as compensation, restitution, reimbursement or remuneration for your
injury, illness, or condition suffered as a result of the negligence or liability of a third party.

You agree to cooperate with us and any of our representatives and to take any actions or steps necessary to secure our lien, including but not limited to:

1. Responding to requests for information about any accidents or injuries within five (5) business days, either personally or through your representative;
2. Responding to our requests, made by ourselves or any representative or affiliate, for information and providing any relevant information that we have requested within five (5) business days, either personally or through your representative; and
3. Participating in all phases of any legal action we commence in order to protect our rights, including but not limited to participating in investigation, discovery, attending depositions, and appearing and testifying at trial.

In addition, you agree not to do anything to prejudice our rights, including but not limited to assigning any rights or causes of action that you may have against any person or entity relating to an injury, illness, or condition without our prior express written consent. Your failure to cooperate shall be deemed a breach of your obligations, resulting in potential legal action against you in order for us to protect our rights.

Reimbursement

We are also entitled to be fully reimbursed for any and all benefit payments we make to you or on your behalf that are the responsibility of any person, organization, or insurer. Our right of reimbursement is separate and apart from our subrogation right, and is limited only by the amount of actual benefits paid under our plan. You must immediately pay to us any amounts you recover by judgment, settlement, award, recovery, or otherwise from any liable third party, his or her insurer, and any first party insurer such as Uninsured or Underinsured Motorists Coverage to the extent that we paid out or provided benefits for your injury, illness, or condition during your enrollment in our plan. We are entitled to full reimbursement even if you have not been made whole, are not fully compensated, or only partially recover from your claim.

Antisubrogation rules do not apply

Our subrogation and reimbursement rights shall have first priority, and must be paid prior to payment of any additional claims. Our subrogation right takes priority over any other claimants, your claims or any other person or entity with a claim, right or lien on the recovery. Our subrogation and reimbursement rights will not be affected, reduced, or eliminated by the "made whole" doctrine, the Collateral Source Rule, or any other equitable doctrine.

We are not obligated to pursue subrogation or reimbursement either for our own benefit or on your behalf. Our rights under Medicare law and this Evidence of Coverage shall not be affected, reduced, or eliminated by our failure to intervene in any legal action you commence relating to your injury, illness, or condition.
CHAPTER 10:
Definitions of important words
**Ambulatory Surgical Center** – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

**Annual Enrollment Period** – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

**Appeal** – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or payment for services you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving.

**Area Agency on Aging** - Pennsylvania’s Area Agencies on Aging are non-profit organizations funded by Federal, State, and County governments to assist older adults by promoting the ability to live with independence and dignity.

**Balance Billing** – When a provider (such as a doctor or hospital) bills a patient more than the plan’s allowed cost-sharing amount. As a member of Geisinger Gold Heritage (HMO), you only have to pay our plan’s cost-sharing amounts when you get services covered by our plan. We do not allow providers to “balance bill” or otherwise charge you more than the amount of cost sharing your plan says you must pay.

**Benefit Period** – (Skilled Nursing Facility) The way that both our plan and Original Medicare measures your use of skilled nursing facility (SNF) services. A SNF benefit period begins the day you go into a skilled nursing facility. Up to 100 days are covered per benefit period. Our plan does not require a prior hospital stay. The benefit period ends when you have not received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

**Centers for Medicare & Medicaid Services (CMS)** – The Federal agency that administers Medicare.

**Coinsurance** – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services.

**Complaint** – The formal name for “making a complaint” is “filing a grievance.” The complaint process is used only for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service you receive. It also includes complaints if your plan does not follow the time periods in the appeal process.

**Comprehensive Outpatient Rehabilitation Facility (CORF)** – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.
Copayment (or “copay”) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor’s visit, hospital outpatient visit, or a prescription. A copayment is a set amount (for example $10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services are received. Cost sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services are covered; (2) any fixed “copayment” amount that a plan requires when a specific service is received; or (3) any “coinsurance” amount, a percentage of the total amount paid for a service, that a plan requires when a specific service is received.

Covered Services – The term we use to mean all of the health care services and supplies that are covered by our plan.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care, provided by people who do not have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn’t pay for custodial care.

Deductible – The amount you must pay for health care before our plan pays.

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dual Eligible Individual – A person who qualifies for Medicare and Pennsylvania Medical Assistance (Medicaid) coverage.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.
Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Grievance - A type of complaint you make about our plan or providers, including a complaint concerning the quality of your care. This does not involve coverage or payment disputes.

Home Health Aide – A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Home Health Agency Care - Skilled nursing care and certain other health care services that you get in your home for the treatment of an illness or injury. Covered services are listed in the Benefits Chart in Chapter 4 under the heading “Home health agency care.” If you need Home Health Care services, our Plan will cover these services for you provided the Medicare coverage requirements are met. Home Health Care can include services from a home health aide if the services are part of the home health plan of care for your illness or injury. They aren’t covered unless you are also getting a covered skilled service. Home health services don’t include the services of housekeepers, food service arrangements, or full-time nursing care at home.

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you’re eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins three months before the month you turn 65, includes the month you turn 65, and ends three months after the month you turn 65.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for in-network covered Part A and Part B services. Amounts you pay for your Medicare Part A and Part B premiums do not count toward the maximum out-of-pocket amount. In addition to the maximum out-of-pocket amount for in-network covered Part A and Part B medical services, we also have a maximum out-of-pocket amount for certain types of services.
Medicaid (or Medical Assistance) – A joint Federal and State program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 until March 31 when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan or obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after an individual is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be a 1) HMO, 2) PPO, a 3) Private Fee-for-Service (PFFS) plan, or a 4) Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called Medicare Advantage Plans with Prescription Drug Coverage. Geisinger Gold Heritage (HMO) does not offer Medicare prescription drug coverage.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans, must cover all of the services that are covered by Medicare Part A and B. The term Medicare-Covered Services does not include the extra benefits, such as vision, dental or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

“Medigap” (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill “gaps” in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or “Plan Member”) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).
**Member Services** – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

**Network Provider** – “Provider” is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. “Network providers” have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called “plan providers.”

**Organization Determination** – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called “coverage decisions” in this document.

**Original Medicare** (“Traditional Medicare” or “Fee-for-service” Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

**Out-of-Network Provider or Out-of-Network Facility** – A provider or facility that does not have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan.

**Out-of-Pocket Costs** – See the definition for “cost sharing” above. A member’s cost-sharing requirement to pay for a portion of services received is also referred to as the member’s “out-of-pocket” cost requirement.

**PACE plan** – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term care (LTC) services for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans receive both their Medicare and Medicaid benefits through the plan. *(In Pennsylvania, this program is sometimes called the Living Independence for the Elderly (LIFE) Program.)*

**Part C** – see “Medicare Advantage (MA) Plan.”

**Part D** – The voluntary Medicare Prescription Drug Benefit Program.

**Premium** – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.
Primary Care Provider (PCP) – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization – Approval in advance to get services. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4.

Prosthetics and Orthotics – Medical devices including, but are not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it’s also generally the area where you can get routine (non-emergency) services. The plan must disenroll you if you permanently move out of the plan’s service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

Special Supplemental Benefits for the Chronically Ill (SSBCI) – SSBCI are benefits that can be offered to Medicare Advantage members with one or more complex chronic conditions, who are at high risk for hospitalization or adverse health outcomes, and who require intensive care coordination.

Supplemental Benefit - A supplemental benefit is an item or service covered by a Medicare Advantage Plan that is not covered by Original Medicare. These benefits do not need to be provided by Medicare providers or at Medicare-certified facilities. Instead, to receive these items or services, you need to follow your plan's rules.
**Supplemental Security Income (SSI)** – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

**Urgently Needed Services** – Covered services that are not emergency services, provided when the network providers are temporarily unavailable or inaccessible or when the enrollee is out of the service area. For example, you need immediate care during the weekend. Services must be immediately needed and medically necessary.
