Things to know before you shop

Our plans have distinct names and numbers. Here's how to understand them.

Geisinger Marketplace All-Access PPO 20 / 50 / 3250

All of our plan names start with Geisinger Marketplace. The next part tells you the network name, which will be either an All-Access or Premier network. The plan type, explained below, is listed as well. Some All-Access network plans also have a Geisinger Extra component.

The first number is the primary care provider (PCP) copay.

A copay is a fixed amount you will pay for a covered healthcare service, usually when you receive the service. In the example above, you would pay \$20 each time you visit your PCP.

The second number is the specialty care provider (SCP) copay. This means each time you visit a specialty care provider (SCP), you would pay \$50.

The third number is the deductible amount.

This is the amount you will pay for healthcare services before your insurance pays for its portion. In the example above, you would have to pay \$3,250 for healthcare services before GHP pays for its portion.

What are the different plan types?

HMO (health maintenance organization)

With an HMO plan, you select a primary care physician (PCP) who will help manage your health and wellness. HMOs generally cost less because you use in-network providers.

POS (point of service)

With POS, you select a PCP to help coordinate your care. You can see other healthcare providers — in or out of our network. You will pay more for services received from providers outside our network.

PPO (preferred provider organization)

With a PPO, you do not need to select a PCP. You can see other healthcare providers — in or out of our network. You will pay more for services received from providers outside our network.

Geisinger Extra

With our Geisinger Extra plans, if you visit a primary care site designated as a “Geisinger Extra” site, you will pay lower office visit copays. Some Geisinger Extra sites are also ProvenHealth Navigator® locations, where extra care is provided because the office is staffed with a Geisinger Health Plan nurse. To find a Geisinger Extra site, visit [GeisingerHealthPlan.com/ProviderSearch](https://www.GeisingerHealthPlan.com/ProviderSearch).

Geisinger Extra plans are only available in select counties and can be found on page 8.

QHDHP

A qualified high-deductible health plan (QHDHP) has lower premiums and higher deductibles than a traditional insurance plan. You must have a QHDHP to have a health savings account.

Get to know our network options

All-Access network

What is it?

The All-Access network includes all participating network providers across the entire service area.

What are the benefits?

With All-Access, members enjoy access to our entire provider network all with a single level of cost-share.

Key consideration?

With broader access and one cost-share level, premiums may be higher than with other network options. Some All-Access plans come with the [Geisinger Extra component](#), giving you additional care for less.

Our All-Access PPO plans give you access to even more providers.

Premier network

What is it?

The Premier network is a narrow, selective network made up of the providers with proven track records of providing great care.

What are the benefits?

Health plans using the Premier network generally have a lower cost.

Key consideration?

This network is available in 13 counties¹. Only services obtained through Premier network providers will be covered. This network's provider options are limited to a small, exclusive list.

Visit [GeisingerHealthPlan.com/ProviderSearch](https://www.GeisingerHealthPlan.com/ProviderSearch) to see if your provider is in the Premier network before making your selection.

¹The Premier network is only available in the following counties: Carbon, Centre, Columbia, Lackawanna, Luzerne, Mifflin, Monroe, Montour, Northumberland, Schuylkill, Snyder, Union and Wayne.

Geisinger Extra: Care you need at a lower cost

You can get the care you need in a truly innovative way through Geisinger Extra, which is available through select plans within the All-Access network. When you select a primary care site designated as an Extra site, you will pay lower office visit copays.

Some Geisinger Extra sites are also ProvenHealth Navigator® (PHN) locations. At these offices you'll receive "extra" care because PHN sites include a Geisinger Health Plan nurse who works closely with physicians and office staff to provide additional services.

Service area & eligibility

Geisinger Extra is available to individuals and families as long as their physical location is in our Geisinger Extra service area. Eligible Geisinger Extra counties are listed below.

- Carbon
- Centre
- Clinton
- Columbia
- Cumberland
- Dauphin
- Juniata

Questions?
Call 800-918-5154.

Financial help: Do I qualify?

Depending on your income, you may be eligible for financial help for health insurance. If you do not qualify for financial help from Pennie™, you may have other options. The easiest way to determine eligibility is by completing a Pennie™ application. Contact Geisinger Health Plan directly for questions about how to complete an application.

Depending on your circumstances, it's possible to qualify for both advance premium tax credits and cost sharing reductions.

To see if you qualify, call a GHP agent at 800-918-5154 or visit [pennie.com](https://www.pennie.com).

The chart below represents household incomes and sizes at 138% of the Federal poverty level. In most cases, individuals and families making at or above these figures could qualify for the advanced premium tax credit.

With household incomes below these figures, you may be eligible for Medicaid. Pennsylvania's Medical Assistance program has expanded, which means more financial help is available to more people. Eligibility is based, in part, on your 2021 household income and family size. You can contact Medical Assistance at 1-866-550-4355 for more information about Medicaid.

Household/ Family Size	2021 Annual Income
1	\$17,774
2	\$24,040
3	\$30,305
4	\$36,570
5	\$42,835

How does the American Rescue Plan impact how much I will spend on health insurance?

The American Rescue Plan, in place through December 2022, lowers health insurance premiums on Pennie™. If you were previously eligible for financial assistance, like advance premium tax credits (APTC), to lower the cost of health coverage, you will be eligible for additional financial assistance to further reduce the cost of coverage. If you previously did not qualify for financial assistance because your income was too high, you may now qualify.

Key terms to know:

Deductible

The amount you pay for healthcare services before your insurance starts to pay its portion of costs for covered health expenses.

Copayment or copay

A fixed amount you pay for a covered healthcare service, usually paid at the time you receive the service. The amount can vary depending on your plan and the type of service you are receiving.

Coinsurance

Coinsurance is your share of the costs of a covered healthcare service, calculated as a percent of the allowed amount for the service. You pay coinsurance plus any deductibles you owe. Your insurance plan pays for the rest of the allowed amount.

Maximum out-of-pocket

The maximum out-of-pocket (MOOP) amount includes all member cost sharing, such as deductibles, coinsurance and copays, for all covered services within a policy period. An important note to remember, MOOP does not include your monthly premium. Once your maximum out-of-pocket costs are met, your insurance plan will pay 100% of costs for covered services.

Geisinger Marketplace Plans: Gold

With our Gold plans, you'll generally have higher monthly premiums and less out-of-pocket costs. For all plan benefit details and to confirm if you're eligible for financial help, visit pennie.com or call 844-844-8040.

Geisinger Marketplace Premier HMO and Geisinger Marketplace Extra plans are only available in certain counties. See page 7 for details on Premier plans and page 8 for details on Extra plans.
