Things to know before you shop

Our plans have distinct names and numbers. To make shopping easier for you, we outlined what those mean in the example below.

Geisinger Marketplace
All-Access HMO  10  /  50  /  4500

All of our plan names start with Geisinger Marketplace, the next portion of the name tells you the network name and plan type.

- The first number is your primary care provider (PCP) copayment. A copayment is a fixed amount you pay for a covered healthcare service, usually when you receive the service. The amount can vary. In the example above, you would pay $10 each time you visit your PCP.

- The second number is your specialty care provider (SCP) copayment. This means each time you visit a specialty care provider (SCP), you would pay $50.

- The third number is your deductible amount. This is the amount you pay for healthcare services before your insurance pays for its portion. In the example above, your deductible amount is $4,500. This means you would have to pay $4,500 for healthcare services before GHP pays for its portion.

What are the different plan types?

**HMO (health maintenance organization)**
With an HMO plan, you select a primary care physician (PCP) who will help manage your health and wellness. HMOs generally cost less because you use in-network providers.

**PPO (preferred provider organization)**
With a PPO, you do not need to select a PCP. You can see other healthcare providers—in or out of our network. Just keep in mind, you will pay more for services received from providers outside our network.

**Geisinger Marketplace Extra**
With our Geisinger Marketplace Extra plans, if you visit a primary care site designated as a “Geisinger Extra” site, you will pay lower office visit copays. Some Geisinger Extra sites are also ProvenHealth Navigator locations, where extra care is provided because the office is staffed with a GHP nurse. To find a Geisinger Extra site near you, visit GeisingerHealthPlan.com/providersearch. Geisinger Marketplace Extra plans are only available in certain counties within our service area. You can find a list of these counties and participating locations on pages 12-15 of this brochure.

**Geisinger Marketplace Value**
Our Value plan is an option that provides the most basic coverage to people under the age of 30.
Dental coverage for children under the age of 19 is embedded in our Geisinger Marketplace plans. All pediatric dental benefits are provided by Avesis.

Pediatric dental plans from Avesis include coverage for the following services:

- Routine oral exams and cleanings
- X-rays
- Fillings
- Fluoride treatments
- Extractions
- Repairs and maintenance
- Anesthesia
- Root canal
- Orthodontia

Please review your Schedule of Benefits for a more detailed list of covered services. Call us at 800-918-5154 with questions about your pediatric dental benefits.

Financial help: do I qualify?

Depending on your income, you may be eligible for financial help for health insurance. Individuals or families with an income under 400% of the federal poverty level (FPL) are eligible. If you do not qualify for financial help from the Federal Exchange, you may have other options. Pennsylvania’s Medical Assistance program has expanded, which means more financial help is available to more people. Eligibility is based on your 2019 household income and family size. The charts below highlight the income levels at which Medical Assistance coverage and Exchange financial help is granted. Visit HealthCare.gov or call 800-318-2596 to see if you qualify.

Key terms to know:

**Deductible**
The amount you pay for healthcare services before your insurance starts to pay its portion of costs for covered health expenses.

**Copayment or copay**
A fixed amount you pay for a covered healthcare service, usually paid at the time you receive the service. The amount can vary depending on your plan and the type of service you are receiving.

**Coinsurance**
Coinsurance is your share of the costs of a covered healthcare service, calculated as a percent of the allowed amount for the service. You pay coinsurance plus any deductibles you owe. Your insurance plan pays for the rest of the allowed amount.

**Maximum out-of-pocket**
The maximum out-of-pocket (MOOP) amount includes all member cost sharing, such as deductibles, coinsurance and copays, for all covered services within a policy period. An important note to remember, MOOP does not include your monthly premium. Once your maximum out-of-pocket costs are met, your insurance plan will pay 100% of costs for covered services.
In 2020, GHP is offering Gold, Silver and Bronze plans, along with a Value plan. With Gold plans, you’ll generally have higher monthly premiums and less out-of-pocket costs. With Silver plans, you’ll generally pay less in monthly premiums and more out-of-pocket. With Bronze plans, you’ll generally pay the least in monthly premiums and the most out-of-pocket for medical care. Our Value plan is only available to people under the age of 30.

For all plan benefit details and to confirm if you’re eligible for financial help, please visit HealthCare.gov.
Geisinger Marketplace Premier HMO and Geisinger Marketplace Extra plans are only available in certain counties. See page 6 for details on Premier plans and page 12 for details Extra plans.

Please note: It is important to ensure a provider is accepting new patients before scheduling an appointment. For ease, you can filter your search results to only show providers that are accepting new patients.
You will receive lower office visit copays if you select a physician at one of the sites listed. The sites marked with an asterisk (*) are the practices that qualify for the lower copay but do not offer the extra PHN services listed on the first page. Please note this flier is accurate as of June 1, 2020. Visit GeisingerHealthPlan.com/providersearch for the most recent information and to check if a provider is accepting new patients.
