

Home health supply notice

You may have seen a document from us recently regarding home health supply guidelines. We ask that you disregard that document and any interpreted changes to the way you provide supplies for Geisinger Health Plan members. We've removed that document and would like to remind you to continue ordering supplies for members through Tomorrow Health as you have in the past.

Our provider account management team will be in contact with you. Should you have any questions, call your account manager at [800-876-5357](tel:800-876-5357) or GHPAccountMngt@geisinger.edu.

Happy holidays and thank you for your patience and the care you provide for members!
