I. Policy:
VPRIV (velaglucerase alfa)

II. Purpose/Objective:
To provide a policy of coverage regarding VPRIV (velaglucerase alfa)

III. Responsibility:
A. Medical Directors
B. Medical Management
C. Pharmacy Department

IV. Required Definitions
1. Attachment – a supporting document that is developed and maintained by the policy writer or department requiring/authoring the policy.
2. Exhibit – a supporting document developed and maintained in a department other than the department requiring/authoring the policy.
3. Devised – the date the policy was implemented.
4. Revised – the date of every revision to the policy, including typographical and grammatical changes.
5. Reviewed – the date documenting the annual review if the policy has no revisions necessary.

V. Additional Definitions
Medical Necessity or Medically Necessary means Covered Services rendered by a Health Care Provider that the Plan determines are:

a. appropriate for the symptoms and diagnosis or treatment of the Member's condition, illness, disease or injury;
b. provided for the diagnosis and the direct care and treatment of the Member's condition, illness disease or injury;
c. in accordance with current standards good medical treatment practiced by the general medical community;
d. not primarily for the convenience of the Member, or the Member's Health Care Provider; and
e. the most appropriate source or level of service that can safely be provided to the Member. When applied to hospitalization, this further means that the Member requires acute care as an inpatient due to the nature of the services rendered or the Member's condition, and the Member cannot receive safe or adequate care as an outpatient.

Medicaid Business Segment
Medical Necessity shall mean a service or benefit that is compensable under the Medical Assistance Program and if it meets any one of the following standards:

(i) the service or benefit will, or is reasonably expected to, prevent the onset of an illness, condition or disability.

(ii) the service or benefit will, or is reasonably expected to, reduce or ameliorate the physical, mental or development effects of an illness, condition, injury or disability.

(iii) the service or benefit will assist the Member to achieve or maintain maximum functional capacity in performing daily activities, taking into account both the functional capacity of the Member and those functional capacities that are appropriate for members of the same age.
DESCRIPTION:
VPRIV (velaglucerase alfa) is a hydrolytic lysosomal glucocerebrosidase–enzyme indicated for long-term enzyme replacement therapy for pediatric and adult insured individuals with type 1 Gaucher disease.

CRITERIA FOR USE: Requires Prior Authorization by Medical Director or Designee

VPRIV (velaglucerase alfa) will be considered medically necessary when all of the following criteria are met:

- Physician provided documentation of:
  - a diagnosis of Type 1 Gaucher disease with at least one of the following:
    - Anemia
    - Thrombocytopenia
    - Bone disease
    - Hepatomegaly or splenomegaly
  AND
  - Insured individual is 4 years of age or greater; and
- VPRIV is recommended by a metabolic specialist with experience in treating Gaucher disease; and
- Medical record documentation of therapeutic failure on, intolerance to, or contraindication to Elelyso in adults.

AUTHORIZATION DURATION: Initial approval will be for 6 months or less if the reviewing provider feels it is medically appropriate. Subsequent approvals will be for an additional 6 months or less if the reviewing provider feels it is medically appropriate and will require medical record documentation of continued disease improvement or lack of disease progression. The medication will no longer be covered if patient experiences toxicity or worsening of disease.

LINE OF BUSINESS:
Eligibility and contract specific benefit limitations and/or exclusions will apply. Coverage statements found in the line of business specific benefit document will supersede this policy.

This policy will be revised as necessary and reviewed no less than annually.

Devised: 3/19/2013

Revised: 3/14, 1/20/2015 (added auth duration)

Reviewed: 1/20/2015, 3/31/16, 3/30/17, 3/29/18, 1/30/19, 1/10/20
