## Central PA HCQU Training Sept 28, 2021 1:00-2:30 PM

### HUMAN TRAFFICKING-

WORKING WITH INDIVIDUALS WITH INTELLECTUAL AND DEVELOPMENTAL DISABILITIES

**Every year, millions of men, women, and children are trafficked worldwide- including right here in the United States.**

Traffickers use force, fraud, or coercion against victims to manipulate them into engaging in commercial sex acts, or labor/services in exchange for something of monetary value (money, safety, transportation).

Traffickers will identify and leverage their victim's vulnerabilities in order to create dependency.

**IT CAN HAPPEN IN ANY COMMUNITY.**

You are invited to a Zoom meeting.
