- [ ] Occupational, may lead to a certificate, degree, or other formal award
- [x] Academic, leading to a certificate, degree, or diploma

Institution: The Commonwealth Medical College (456542)

Part B - Organization - Control and Levels
1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

- [ ] Public - Select primary and or secondary controls below
  - Primary control
    - Select One
  - Secondary control (if applicable)
    - Select One
- [ ] Private for-profit
- [x] Private not-for-profit independent (no religious affiliation)
- [ ] Private not-for-profit religious affiliation - Select affiliation below
  - Select One

2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), determine program length by the number of credit or contact hours, NOT the academic year length in parentheses. The academic year length is meant only to provide context.
The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

Even though Teacher Preparation certificate programs may require a bachelor's degree for admission, they are considered subbaccalaureate undergraduate programs. Check the applicable award level 1, 2, or 4, depending on the length of the Teacher Preparation program.
