REDISCOVER HOME IN NORTHEAST PENNSYLVANIA

Discover NEPA is a local organization whose mission is to encourage Northeastern Pennsylvania's best and brightest to stay in the region, to promote local quality of life assets and communities, to recruit talented individuals to the region and to assist local nonprofits by cultivating awareness and volunteerism and branding the region as one of the nation's best places to live.

In collaboration with Discover NEPA, we have created a website specifically for Geisinger Commonwealth School of Medicine students to explore NEPA's communities, browse through local events and things to do and to rediscover home.

The topics include the following:

- Upcoming Events
