

## GEISINGER ENCOMPASS HEALTH CY21 CHNA IMPLEMENTATION

### CY21-CY23 Community Health Needs Assessment Implementation Plan- Geisinger Encompass Health

Priority Area: ACCESS TO CARE

GOAL: Ensure residents have access to quality, comprehensive health care close to home.

Objective:	Platform Strategies	Anticipated Impact	Outcome Measures
<b>Assist in "cost" barrier (as identified in CHNA CY21 report) to comprehensive health care.</b>	Geisinger Encompass Health will continue to promote awareness of our financial aid program.	Increase access to care	Number of financial aid requests and volume of Medicaid patients.

CY21-CY23 Community Health Needs Assessment Implementation Plan- Geisinger Encompass Health

Priority Area: BEHAVIORAL HEALTH

Due to the specialized nature needed to provide Behavioral Health, Geisinger Encompass Health choose not to address this concern for CY21.

## GEISINGER ENCOMPASS HEALTH CY21 CHNA IMPLEMENTATION

### CY21-CY23 Community Health Needs Assessment Implementation Plan- Geisinger Encompass Health

Priority Area: CHRONIC DISEASE PREV & MGMT

GOAL: Reduce risk factors and premature death attributed to chronic diseases.

Objective:	Platform Strategies	Anticipated Impact	Outcome Measures
<b>Develop care models to improve outcomes for patients with chronic disease</b>	Geisinger Encompass Health will continue to educate and create opportunities for learning forums on chronic conditions such as Amputee, Brain Injury, Parkinson's disease, Spine and Stroke through monthly (virtual) support groups.	Increased participation in virtual support groups	Number of attendees
