

Toy Drive

Geisinger South Wilkes-Barre Medical Center

More than 60 motorcyclists from the N.E. Federation of Clubs participated in a 55-mile benefit ride from the Poconos on October 1, 2016, culminating with a delivery of hundreds of toys at Geisinger Wyoming Valley (GWV) Medical Center's South Wilkes-Barre campus. Local children will receive the gifts during a Morning with Santa community event sponsored by the GWV Auxiliary on December 3.
