Geisinger Shamokin Area Community Hospital Memorial Garden

Nestled in front of the main entrance, Geisinger Shamokin Area Community Hospital's Memorial Garden is a comforting and soothing place. Visitors can walk the Pathway of Remembrance and see the names of individuals who are no longer with us but shall never be forgotten. A gazebo offers a place to sit and reminisce. Benches line the path to offer an opportunity to rest and enjoy the peace the garden affords.

We offer the garden as a way of fondly remembering a loved one while supporting the hospital. Brick pavers are available for purchase in the form of a memorial contribution. Memorial gifts allow you to thoughtfully remember family and friends who have been an essential part of your life.

Additional sponsorship opportunities may be available.
