

If you are a patient of the Geisinger Clinic Medication Assisted Treatment Program, you will have signed an authorization to disclose your protected health information for diagnosis and treatment purposes. This is a list of providers that may access your PHI *if* they have a treatment relationship with you. If you have questions about your authorization, including on how to revoke the authorization, please call us at 570-387-2055 or write to:

Geisinger Clinic Medication Assisted Treatment Program
