

**Trainee Admission, Support, and Outcome Data (in accordance w/ APA Regulation C-27 I)
Internship Program Admissions**

Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:

Applicants for our internship program will have had at least one practicum experience in the track specialization(s) of their choosing and have a strong interest in continued career development in the specialty area while also gaining broad clinical experience to round out professional competencies. Applicants require a Master’s Degree in Clinical Psychology, Counseling Psychology, or School Psychology. They must also have successfully proposed their dissertation and passed comprehensive exams prior to the application deadline.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	Yes	No X	Amount:
Total Direct Contact Assessment Hours	Yes	No X	Amount:

Describe any other required minimum criteria used to screen applicants:
