

Here's what our families are saying:

"We don't have any other way of expressing our gratitude for the manner in which our loved one is being cared for. From the start of her day to the moment of her safe return home with us, it's been a gigantic relief for us to know that all of her needs are being met and by such a loving, caring, professional staff. So in essence, we have become connected jointly with LIFE Geisinger as one big happy family."

—Nate and Yvonne

"Geisinger gave my mom new 'LIFE.' Help comes to us in a number of ways throughout our lives. For my family, LIFE Geisinger has been a form of salvation. The staff is upbeat and caring. I knew in the first five minutes they were devoted to these people who are placed in their trust. The program has given my mom something to look forward to."
