

When you need a physical
we're here for that, too

Geisinger Careworks isn't just urgent care. We also offer physical exams for work, school, sports or driving (known as *interim* physical exams).

Interim physicals cost just \$55 and include:

- Eye exam
- Fitness assessment
- Joint and flexibility check
- Medical history review
- Vitals check

Will my health insurance cover the cost of an interim physical?

Most insurers only cover the cost of one physical exam per year and do not cover the cost for physical exams needed for work, school, sports or driving. Contact your insurance company to find out if the cost can be reimbursed — and if so, to get specific submission instructions.
