Know your masks

Protect yourself, and everyone around you.

N95 masks
- Should be reserved for frontline healthcare workers
- N95 masks with a valve will not filter out the virus if you are a carrier

Surgical masks
- Should be saved for medical professionals
- Single-use — dispose after using

DIY cloth masks
- Protects others from you
- Can make at home and re-wear — wash after each use

No mask
- Offers no protection
- Doesn’t help slow or stop the spread of COVID-19

How to wear your mask
Snugly covering your mouth and nose
