Already have a Geisinger primary care provider? **Call us first.**

Patients with a Geisinger primary care provider can use our nurse triage line — just call the office to speak with a registered nurse for medical advice. Or you can send us a message online through myGeisinger. Enroll today at myGeisinger.org.

No matter where you receive care, always bring your insurance cards, personal identification, copay and a list of your current medications.

In case of an emergency, call 911 or go to the nearest emergency room.
