myGeisinger got a makeover!

myGeisinger has made it easier for you to schedule appointments, message your care team, view your lab and test results, and more. With a new look and feel, myGeisinger has been modernized, which makes it easier to access your medical record.

The screenshot shows the myGeisinger.org Patient Portal homepage. At the top left is the logo 'myGeisinger.org' and at the top right is the tagline 'A convenient way to manage your health'. Below this is a blue header bar with the text 'Patient Portal'. The main content area features a photograph of a doctor in a white coat and blue gloves examining a patient's arm. To the right of the photo is a blue box with the text 'Already have an account?' and an orange 'Sign In' button. Below the button are links for 'Forgot password?' and 'Create an account'. At the bottom of the page, there are three columns of text: 'Schedule an appointment' with a link to 'Schedule appointment', 'Get the myChart app' with a link to 'Learn more', and 'New to myGeisinger?' with a link to 'Sign up now'.
