Things to know before you shop

Our plans have distinct names and numbers. We have outlined what those mean in the example below.

Geisinger All-Access PPO 20 / 40 / 1000

All of our plan names start with **Geisinger**. The next portion of the name tells you the network name and plan type.

The first number is the primary care provider (PCP) copayment.

A copayment is a fixed amount your employees will pay for a covered healthcare service, usually when they receive the service. In the example above, they would pay \$20 each time they visit their PCP.

The second number is the specialty care provider (SCP) copayment. This means each time your employees visit a specialty care provider (SCP), they would pay \$40.

The third number is the deductible amount. This is the amount your employees will pay for healthcare services before their insurance pays for its portion. In the example above, your employees would have to pay \$1,000 for healthcare services before GHP pays for its portion.

What are the different plan types?

HMO (health maintenance organization)

With an HMO plan, your employees select a primary care physician (PCP) who will help manage their health and wellness. HMOs generally cost less because your employees use in-network providers.

POS (point of service)

With POS, your employees select a PCP to help coordinate their care. They can see other healthcare providers—in or out of our network. They will pay more for services received from providers outside our network.

PPO (preferred provider organization)

With a PPO, your employees do not need to select a PCP. They can see other healthcare providers—in or out of our network. Your employees will pay more for services received from providers outside our network.

Geisinger Extra

With our Geisinger Extra plans, if your employee visits a primary care site designated as a “Geisinger Extra” site, they will pay lower office visit copays. Some Geisinger Extra sites are also ProvenHealth Navigator® locations, where extra care is provided because the office is staffed with a GHP nurse. To find a Geisinger Extra site, visit GeisingerHealthPlan.com/ProviderSearch.

Geisinger Extra plans are only available in select counties and can be found on page 8.

QHDHP

A qualified high-deductible health plan (QHDHP) has lower premiums and higher deductibles than a traditional insurance plan. Your employees must have a QHDHP to have a health savings account.

Learn about our network options

All-Access

What is it?	The All-Access network includes all participating network providers across the entire service area.
What are the benefits?	With All-Access, members enjoy access to our entire provider network all with a single level of cost-share.
Key consideration?	With broader access and one cost-share level, premiums may be higher than with other network options.

Premier

What is it?	The Premier network is made up of the highest performing, most exclusive providers.
What are the benefits?	Created using quality, efficiency and cost metrics leading to a highly integrated care delivery, plans using this network generally have a lower cost.
Key consideration?	This network is available in 15 counties ¹ . Only services obtained through Premier network providers will be covered. This network's provider options are limited to a small, exclusive list. Visit GeisingerHealthPlan.com/ProviderSearch to see if your provider is in the Premier network before making your selection.

Choices

What is it?	The Choices network splits all participating providers into two tiers, offering members a more selective choice on receiving care.
What are the benefits?	The highest value providers, designated by Tier 1, will provide members with the highest quality of care at the lowest cost to them. The Choices plan offers the most flexibility with access to Tier 1, Tier 2 and out-of-network providers.
Key consideration?	This network is available in 15 counties ¹ and only available as a PPO. Tier 2 services will have a higher out-of-pocket cost, but are still considered in-network. Visit GeisingerHealthPlan.com/ProviderSearch to see if your provider is in the Choices network before making your selection.

¹Premier and Choices networks are only available in the following counties: Carbon, Centre, Columbia, Lackawanna, Lehigh, Luzerne, Mifflin, Monroe, Montour, Northumberland, Northampton, Schuylkill, Snyder, Union and Wayne.

To ensure a majority of employees and dependents have access to the highest performing providers, all enrolling employees must reside within the available 15 counties or within 20 miles/30 minutes of a Tier 1 provider.

Geisinger Extra Care you need at a lower cost

Your employees can get the care they need in an innovative way through Geisinger Extra. When your employees select a primary care site designated as an Extra site, they will pay lower office visit copays.

Some Geisinger Extra sites are also ProvenHealth Navigator® (PHN) locations. At these offices members receive “extra” care because PHN sites include a Geisinger Health Plan nurse who works closely with physicians and office staff to provide additional services.

Service area & eligibility

Geisinger Extra is available to small group employers in the 1 to 50 market segment and large group employers in the 51+ market segment as long as their physical location is in our Geisinger Extra service area. Eligible Geisinger Extra counties are listed below.

- | | | | |
|--------------|--------------|------------------|---------------|
| • Carbon | • Juniata | • Monroe | • Snyder |
| • Centre | • Lackawanna | • Montour | • Susquehanna |
| • Clinton | • Lehigh | • Northampton | • Union |
| • Columbia | • Luzerne | • Northumberland | • Wayne |
