

## GHP Family dental provider P4Q incentive

To help dental providers deliver preventive dental care to GHP Family members, we're enhancing the GHP Family Pay for Quality (P4Q) provider incentive for calendar year 2026. We want providers to have the resources they need to continue delivering high quality preventive care for our members.

### New for calendar year 2026:

Oral Evaluation, Dental Services (OED), under age 21.

- \$35 new patient/member preventive visit incentive
- \$20 existing patient/member preventive visit incentive  
Billed codes (D0120, D0145, D0150)

Adult Annual Dental Visit (AADV PAPM)

- \$5 patient/member preventive visit incentive (adults aged 21 and older)  
Any appropriately billed D-code

### Program details:

- Provider incentives are paid on a quarterly basis.
- The incentive is paid once per year, per member.
- Claims must be submitted to GHP Family, even if we are the secondary payer.  
(1 oral evaluation per 180 days, per patient – under 3 years of age only)
