

# Billing and Reimbursement

## Multiple surgical procedures

Multiple surgical procedures – more than one surgical procedure performed during a single operative session

The primary procedure is reimbursed at the full fee schedule payment amount.

All other procedures performed during the same session are reimbursed at a 50% reduction.

The discount reflects the savings due to preparing the patient only once and incremental costs associated with anesthesia, operating and recovery room use and other services required for subsequent procedures.

*Geisinger Health Plan, Geisinger Indemnity Insurance Company and Geisinger Quality Options, Inc. are collectively referred to as "GHP" in this summary.*

*All rights, duties and responsibilities of participating providers will be applied according to the following document order: 1) member's benefit document; 2) the participating provider's contract agreement, 3) the GHP Family Provider Guide; and 4) the Geisinger Health Plan Provider Guide.*
