

Physical medicine/rehabilitation and special otorhinolaryngologic encounter based CPT® codes (i.e. 92507, 97161, 97162, 97163, 97165, 97166, 97167) are designed to be reported with one unit per date of service regardless of the length of visit/treatment time.

Outpatient rehabilitative therapy service providers are required to report the applicable modifier to identify the rendering provider type. Services reported without the appropriate modifiers will be denied and should be corrected prior to resubmission. Applicable modifiers include the following:

- **GN:** Service delivered personally by a speech language pathologist or under an outpatient speech language pathology plan of care
- **GO:** Service delivered personally by an occupational therapist or under an outpatient occupational therapy plan of care
- **GP:** Services delivered personally by a physical therapist or under an outpatient physical therapy plan of care

*Geisinger Health Plan, Geisinger Indemnity Insurance Company and Geisinger Quality Options, Inc. are collectively referred to as "GHP" in this summary.*

*All rights, duties and responsibilities of participating providers will be applied according to the following document order: 1) member's benefit document; 2) the participating provider's contract agreement, 3) the GHP Family Provider Guide; and 4) the Geisinger Health Plan Provider Guide.*
