Child Abuse CE	All health-related licensees/certificate holders and funeral directors are considered “mandatory reporters” under section 6311 of the Child Protective Services Law (23 P.S. § 6311). Therefore, all persons applying for renewal of a license or certificate from any of the health-related boards (except the State Board of Veterinary Medicine) or from the State Board of Funeral Directors are required to complete, as a condition of biennial renewal, 2 hours of approved training on the topic of child abuse recognition and reporting. After you have completed the required course, the approved provider will electronically submit your name, date of attendance, etc. to the Bureau. For that reason, it is imperative that you register for the course using the information on file with the Board. A list of approved child abuse education providers can be found on the Department of State Website.
