About StationMD:

StationMD is a telehealth company dedicated to serving individuals with I/DD. All StationMD clinicians are board-certified and specially trained to treat individuals with I/DD. Using StationMD helps prevent traumatic ER visits and unnecessary hospital admissions and minimizes disruptions to activities, medication schedules, meals, work, and sleep.

Enrolling Individuals for StationMD's Telehealth Service on the ISP:

01 StationMD is considered a "Specialty Telehealth and Assessment Team (STAT)" service and is available for PA residents on the Consolidated Waiver, Community Living Waiver, and PA Person/Family Directed Support (P/FDS) Waiver.
Supports Coordinators will help individuals & families/guardians elect StationMD's service on the ISP using Procedure Code W7032.

02 Access to StationMD lasts the full term of the ISP; however, the service can be added at any point in the year.

03 1 Unit = $55 = Unlimited Calls

04 Once an individual is enrolled for the service, they can start using StationMD IMMEDIATELY, 24 hours a day, 7 days a week, for any medical concern. Simply call 1-877-STATMDS.

StationMD's **I/DD-specialized telehealth** service can be used for any medical matter that requires a doctor's attention, including:

- An initial assessment to determine if a trip to the ER is needed
- Fever, vomiting, cough, congestion, & seasonal illness
- Rashes, abrasions, & pink eye
- Urinary tract infections, constipation, & diarrhea
- Seizures, falls, & minor injuries
- Prescription refills, general medical guidance, & more

How to Get StationMD's Service:

✓ Enroll individuals for StationMD's telehealth service throughout the year on the ISP.
The service may be added by completing a critical revision or during the annual ISP renewal process.

For more information about StationMD's telehealth service, contact the Supports Coordinator, who manages the individual's ISP.
