## Product spotlight: Geisinger Funding Alternative

We'd like to kick off the new year with a product spotlight on Geisinger Funding Alternative (GFA) — a level-funded plan that allows employer groups to enjoy predictable payments and savings on unused care.

### Our level-funded plans offer:

**Stability:** Flexible plan designs, cost-efficient pricing and predictable payments

**Stop-loss coverage:** Protection against claims that are larger than funded

**Predictability:** Monthly payments based on your employees' health trends

**Savings opportunities:** You'll be eligible for a credit return if claims paid are less than claims funded upon renewal in a Geisinger product

**Access:** Gain access to our network options and health and wellness programs
