

Meet Geisinger's Administrative Services Only plan

Geisinger

You deserve flexibility and choice.

What is an Administrative Services Only (ASO) plan?

An ASO plan is a type of self-funded plan recommended for groups 200+, but that can also be implemented for groups of 25+ enrolled subscribers or more.

Benefits include:

- | |
|---|
| • Increased financial control |
| • Lower costs |
| • Greater flexibility in plan coverage |
| • Detailed reporting and transparency into claims costs |
| • No state premium tax |
| • Large provider network with national wrap network (First Health® Network) |
| • Stop-loss insurance |

As with all self-funded plans, groups assume all the risk and only pays an administrative services fee to the carrier for claims payment.

ASO groups are at risk for claims, but stop-loss coverage can mitigate this risk.

Our plans

We offer two plans, so you have the flexibility to choose and design a program that meets the needs of your organization.

- **Traditional:**
This plan offers you the convenience of a set of services, so you know what to expect.
- **A la carte:**
Mix and match a variety of benefits to match your employees' and organization's needs.

Why choose a Geisinger ASO option?

Employers can expect a lower base per employee per month (PEPM) fee for core services. Employees have the option to choose a traditional plan or an a la carte plan.
