

Pre-enrollment checklist

Before making an enrollment decision, be sure that you fully understand our benefits and rules. Questions? Call and speak to a customer service representative at **800-498-9731 (TTY: 711)**.

Understanding the benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. Review plan coverage, costs and benefits before you enroll. Visit **geisingergold.com** or call **800-498-9731 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they aren't listed, you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you'll likely have to choose a new pharmacy for your prescriptions.
- Review the formulary to be sure your drugs are covered.

Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copays/coinsurance may change on Jan. 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and Medical Assistance from a state plan under Medicaid.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
